Expression of Interest (Max 500 words)	<p>The Canoe Club was formed in 1979 and was initially based in Fleet. It moved to the Canal Centre in 2003 and the membership has grown considerably since those early days. We currently provide Paddlesport activity year round on the canal for our 300+ members, this varies from fun, family sessions in the summer to rigorous structured training up to 5 times a week for elite athletes, a number of whom have gone on to represent Team GB . Our coaches have also received recognition at Regional and National level for the work they do.</p> <p>Members of local Scout and Guide groups have been introduced to canoeing by BCCC and we also have links with 3 local schools. Our events attract other paddlers and their families to the canal.</p> <p>We are keen to see the canal maintained as a navigation and for the recreational opportunities that the canal and visitor centre offers to be developed.</p>
