AHSC	Sussex and East Surrey – “Commissioning for Change”	4 September 2017	None	Scrutinise plans for "Commissioning for Change" review, including expected timelines, approach to formal consultation and savings linked to delivery of the review. Scrutinise how the review will engage with other Surrey STPs in order to minimise regional variation for Surrey residents.
AHSC	Sexual Health Services	4 September 2017	None	Review new arrangements for sexual health services in Surrey and assess the planned mobilisation of the contract on 30 September 2017.
AHSC	Acute Mental Health Ward Relocation and future planning	9 November 2017	None	Assess the impact of the ward relocation in improving patient experience and safety, and plans for future acute ward provision in Surrey.
AHSC	Suicide Prevention Framework	9 November 2017	None	Review the suicide prevention framework, following a request from the House of Commons Health Select Committee. Explore what is being done to reduce suicides in the county (leading cause of death in 20-34 year olds in the UK).
AHSC	Home-based Care	9 November 2017 meeting	None.	Adult Social Care will be recommissioning home based care services in the autumn. The committee will review the plans to recommission, and investigate how the council is responding to the current pressures on providers created by market conditions.
AHSC	Accommodation with Care and Support (Extra Care)	January 2018	None.	The Committee will review the next phase of the ASC accommodation with care and support project, following a Cabinet decision on the next phase in January 2018.
AHSC	Surrey	Task group	None	The committee will need to consider how it reviews the

	Heartlands	(see below)		Surrey Heartlands devolution proposal, and other strategic plans across the footprint. As this is an area of considerable strategic change, it may wish to consider a plan of ongoing engagement with the topic.
Items in development				
AHSC	Demand management	In development	None.	The committee will review the plans to manage demand in ASC, which accounts for approximately £4 million of ASC savings in the MTFP and has been identified as a red risk.
AHSC	Sustainability and Transformation Plan Progress	In development	None	The committee will need to maintain track on progress around the three STP footprints, and how this is impacting on the delivery and long term planning for social care and health. The committee will also need to consider how the three plans work together to mitigate risks of regional variation in health outcomes, and represent the best interests for Surrey residents.
AHSC	Access to primary care and GP services	In development	None.	This has been identified an area of interest by committee members. The committee will need to consider how it approaches scrutinising the item, and will use the summer to scope it and report back to the Council Overview and Budget Scrutiny Committee

Committee groups

The SECamb regional sub-group is formally constituted and its terms of reference cover regional scrutiny of SECamb performance and improvement plans. The committee recommends that involvement in this group continues for the duration for 2017, as the CQC has recently re-inspected the Trust and expect to publish the results in September.

The Surrey Heartlands STP Task Group is in the process of being approved. Its terms of reference cover the Epsom estate, stroke review services and the devolution plans.
