

AUDIT & GOVERNANCE COMMITTEE

21 February 2013

Completed Internal Audit Reports

SUMMARY AND PURPOSE:

The purpose of this report is to inform Members of the Internal Audit reports that have been completed in the period November 2012 – January 2013 as attached at Annex A.

Although it is not the Committee's policy to review all Internal Audit reports in detail during the meeting, full copies of the reports summarised have been provided to Members of the Committee.

RECOMMENDATIONS:

The Committee is asked to consider whether there are any audit reports or management action plans that it would like to review further and whether there are any matters they wish to refer to the relevant Select Committee.

BACKGROUND:

- 1 At the conclusion of each audit review a report is issued to the responsible manager who is asked to complete an action plan responding to the recommendations.
- 2 The return of a management action plan (MAP), which in the auditor's opinion adequately addresses the report findings and recommendations, signals the end of the audit process. Any follow up work required forms part of future audit plans at the appropriate time.
