

1. *Response to supplementary submitted by Sheila Boon:*

Surrey County Council and North West Surrey Clinical Commissioning Group (CCG) have had two operational meetings and this will be included in the CCGs commissioning intentions as per the wording above.

2. *Response to supplementary submitted by Michael Devine:*

- There is capacity for 25,000 attendances per year
- There are 9 Consultation/Examination Rooms
- The waiting areas can seat 24 patients
- CNWL maintains appropriate insurance for the use of the premises

3. *Response to supplementary submitted by Nygel Glynn:*

Any health professional requiring urgent sexual health advice can contact the on call consultant via the following email address and telephone numbers:

HIV referrals: HIV-referralsandadvice.CNWL@nhs.net (non-urgent)

For urgent queries call 020 3317 5077 during clinic hours (09:00-19:00 Monday to Thursday, 09:00-16:00 Friday)

4. *Response to supplementary submitted by Stephen Fryett:*

The service has noted the concerns of individual patients and will be providing a transition clinic at St Peter's hospital for 6-9 months. This is to discuss the specific clinical needs of patients and to address any individual concerns with the changes in service delivery.
