

ADDENDUM

ITEM 8: ALLEGED PUBLIC RIGHTS OF WAY ACROSS LAND AT RECTORY LANE, WOODMANSTERNE

Since the writing of this report, the London Borough of Croydon have written to clarify the following:

‘Whilst it may be appropriate for Surrey CC to carry out the work in connection with the procedural matters regarding the ROW matter it is not clear on what grounds it would be appropriate to delegate the decision making itself to another authority.

If ...the Council does not have capacity to process the application it may be that Surrey CC would be prepared to deal with procedural matters on our behalf and make a recommendation back to Croydon Council. That way the decision itself can be determined in accordance with our Scheme of Delegation without any delegation to another authority.’

This affects the portion of path labeled C-D-E on drawing number 3/1/36/H46 and as such the recommendation to members (and more specifically paragraph 3.3) has altered slightly and is as follows;
