

ANNEX A – DRAFT VISION FOR SURREY IN 2030

By 2030 we want Surrey to be a uniquely special place that capitalises on its location and natural assets, where everyone has a great start to life, people live healthy and fulfilling lives, everyone is enabled to achieve their full potential and contribute to their community and no one is left behind.

Our ambition for **people** is for:

- Children and young people to be safe and feel safe, healthy and make good choices about their wellbeing
- Young people to be equipped with the confidence and skills to succeed in life
- People to live healthy, active and fulfilling lives, independently in their local community with choice and control
- People to access the right health and social care at the right time in the right place
- People to access information and services to help prevent, reduce and delay the need for care and support

We want our county's economy to be strong, vibrant and successful and Surrey is seen as a great place to live, work and learn. Communities feel supported and people are able to support each other.

Our ambition for our **place** is for:

- Residents to live in clean, safe, green and resilient communities
- A well-maintained highways infrastructure
- Communities to be inclusive and people feel able to contribute to civic life
- Everyone to have a place they can call home
- Everyone to be able to access the right employment and skills opportunities for them
- Businesses in Surrey to thrive
- People to benefit from sustainable development and growth
- Everyone can travel safely, easily and predictably, and people make choices about transport that are mindful of environmental impacts

In order to achieve the above, we need to be a quite different Council.
