

Buckinghamshire CC and Surrey CC Joint Trading Standards Committee Actions and Recommendations Tracker

The recommendations tracker allows Joint Committee Members to monitor responses, actions and outcomes against their recommendations or requests for further actions. The tracker is updated following each Joint Committee meeting. Once an action has been completed and reported to the Joint Committee, it will be removed from the tracker.

Actions

Reference	Date of Meeting	Recommendations/ Actions	Responsible Officer/ Member	Response	Status
A8/17	28/09/17	To consider new ways of promoting public engagement with the Committee.	Chairman	We have tried webcasting previously but that is quite a passive approach and has had little success. We did tweet during the last Joint Committee with again no visible impact. One possibility could be to use future meetings to make Awards for individuals who have made a major impact in protecting and supporting residents. The CTSI "Hero" awards have proved very successful in the past and we could consider something similar for future Joint Committee or Board meetings. We have several volunteers who have made a big impact and this is an opportunity to recognise that.	Ongoing
