REASON FOR RECOMMENDATIONS:

The requirement for an annual Statement of Assurance is set out in the revised Fire and Rescue National Framework for England.

DETAILS:**Statement of Assurance**

1. As set out in the revised Fire and Rescue National Framework for England, fire and rescue authorities must provide an annual assurance of financial, governance and operational matters, to ensure the appropriate arrangements are in place. There must also be due regard shown to the expectations set out in their Integrated Risk Management Plan and the requirements included in the Framework.
