Task Groups

January 2019 - June 2019	Mental Health	The purpose of this item is to review delivery against the Joint Health and Wellbeing Strategy's Priority to improve emotional wellbeing and mental health. This includes considering steps being taken to prevent poor mental health and to promote a culture of openness about mental health conditions. The Committee will also look at current and future provision of mental health services in Surrey.	The Committee will assess efforts to embed parity of esteem between the treatment of physical and mental health conditions in Surrey through the implementation of Sustainability and Transformation Partnerships in Surrey. Members will also look at how emotional wellbeing is incorporated within STP plans how they will help to build resilience against mental health conditions among Surrey residents.	Task Group
