

Safer Waverley Partnership (SWP)

Partnership Plan 2019-20

Background

The 1998 Crime and Disorder Act gave local agencies shared responsibility for developing and introducing strategies to reduce crime and disorder in their area. The Safer Waverley Partnership (SWP) is a statutory partnership of organisations who work together to create strategies and practical interventions to reduce crime, disorder and anti-social behaviour in Waverley.

Members include:

- Surrey Police
- Waverley Borough Council
- Surrey County Council
- Surrey Fire and Rescue Service
- National Probation Service
- Kent, Surrey and Sussex Community Rehabilitation Company
- Clinical Commissioning Groups (Guildford & Waverley and North East Hampshire & Farnham)

The Partnership will continue to work with many other public and private non-statutory partner organisations in addition to community and voluntary groups to deliver Community Safety projects.

Partnership Plan

The SWP Partnership Plan 2019-20 does not seek to include all current activity relating to community safety. It focuses on what can be achieved as a Partnership to enable people to live safe lives. It is acknowledged that individual partner agencies will contribute to community safety through their own business processes. This Partnership Plan does not seek to replicate individual partners own strategies.

Key Priorities

- 1) **To focus on threat, harm, risk and vulnerability; including serious organised crime (SOC), child exploitation (CE), modern day slavery, domestic abuse, threat of radicalisation and supporting vulnerable victims**

- 2) To identify and tackle crime and anti-social behaviour hotspot locations and perpetrators**
- 3) To improve engagement with the public to help make local communities stronger.**

Delivery and Review

The SWP uses a series of multi agency problem solving groups to work towards the key priorities and deliver the action plan. These are the Joint Action Group (JAG), the Community Harm and Risk Management Meeting (CHaRMM) and the Serious and Organised Crime Group (SOC Group).

The SWP Executive Group has overall responsibility for the delivery of the Partnership Plan. The Plan is reviewed in the spring of each year to ensure that key priorities are still relevant, and that any new and emerging priorities are identified.

Joint Action Group (JAG)

The JAG meets every 6 weeks to consider crime and anti-social behaviour in the Borough, using crime and incident data to monitor emerging and potential problems. It prioritises its activity and establishes task and finish sub-groups to resolve problems at specific locations. The JAG keeps an overview of crime and ASB in relation to licensed premises and uses a 'traffic light' system to identify those where joint work is needed to address risks.

Community Harm and Risk Management Meeting (CHaRMM)

The CHaRMM discusses and agrees action to reduce the negative impact that problem individuals and families have on the local community through their anti-social behaviour. Members share information on high risk cases, and incidents, and put in place appropriate risk management plans to address the behaviour of the perpetrator, and reduce the negative impact on victims.

Serious and Organised Crime Group (SOC Group)

The SOC Group considers intelligence and plans activity to prevent, identify and disrupt serious and organised crime in Waverley. The group is responsible for developing a local action plan, which will links in with the Surrey Serious and Organised Crime Partnership and ensures relevant information is provided to the SWP Executive, JAG and CHaRMM groups.
