24/19 CODE OF CORPORATE GOVERNANCE [Item 7]**Witnesses:**

Cath Edwards, Service Improvement and Risk Manager

Key points raised during the discussion:

The Service Improvement and Risk Manager informed Members that the report provided an update on the Council's Code of Corporate Governance and that it was an annual document in which the core principles of governance remain fundamentally the same. It was noted that the Code of Corporate Governance would be presented to the County Council for inclusion in the Constitution.

Actions/ further information to be provided:

None.

Resolved:

That the Committee approved the updated report and commended it to the County Council for inclusion into the Constitution.

25/19 2018/19 DRAFT ANNUAL GOVERNANCE STATEMENT [Item 6]**Witnesses:**

Joanna Killian, Chief Executive

Key points raised during the discussion:

1. The Chief Executive introduced the draft Annual Governance Statement which summarised the Council's governance arrangements for the financial year ending 31 March 2019. She made the following points:
 - That the report provided a positive reflection of the Council's governance arrangements for future years, with mechanisms put in place for effective governance.
 - That the organisational culture had already undergone a process of transformation and noted the progression; however, wholesale change to this culture will take time and there will be periods of difficulty.
 - A key area of progression included working with partners more constructively and in an open manner, ensuring good governance for those employed in the Council's services and a measure of the success of the Council's governance would come from the residents.

2. Members questioned how improvements in governance will be measured with reference to recruitment in Children's Services. The Chief Executive explained that this would happen by using hard indicators including the Ofsted Priority Action Board to deliver the Council's Children Improvement Plan.
3. The Committee expressed concern over the challenges to a sound system of governance within the South East due to a high cost of living for Surrey employees. Although expensive accommodation is an issue, the Chief Executive stated that good technical supervision, manageable case-loads and good managerial support were fundamental to governance. The Council would ensure a safeguard to key services with the launching of the new Surrey Children's Services Academy with strong feedback from participants. The Chief Executive also noted the importance of retention of key workers within the National Health Service by analysing exit interviews to understand why some chose to leave the organisation.

Actions/ further information to be provided:

A6/19 - The Chief Executive agreed to provide a document which summarised the Council's yearly achievements. This would be a concise and accessible document for councillors to provide to their residents.

Resolved:

The Committee reviewed the draft report and were satisfied that the governance arrangements were represented correctly; and

That the Committee commended the draft Annual Governance Statement to the Chief Executive and the Leader of the Council to be signed off before publication into the Council's Statement of Accounts for 2018/19.

26/19 2018/19 TREASURY MANAGEMENT OUTTURN REPORT [Item 8]

Witnesses:

Kevin Kilburn, Strategic Finance Manager - Corporate

Key points raised during the discussion:

1. The Committee were asked by the Chairman of the Committee whether they were comfortable with the report and both Members and Officers expressed their satisfaction.
2. The Strategic Finance Manager - Corporate, introduced the report and provided background information to the uncertainty in finance globally with reference to the US-China trading tensions and the volatility with the UK's withdrawal from Europe as noted in Annex 1. The Council's Treasury team would continue to monitor the impact on interest rates as this affects the Council at a more local level.
3. Referring specifically to the Risk Reference 2 (Financial) in Annex 2 on Interest Rate Risk, the Strategic Finance Manager - Corporate stated that the Council's strategy of short term borrowing provided a financial

saving as the average rate of interest is 0.84%, compared to the 2.65% interest rate if long term borrowing had been undertaken over a 25 year period. It was noted that this however would mean that the Council would not get returns as high as other councils due to short term investing, but the policy of low investment levels ensures the Council is able to ensure borrowing at an affordable level.

Actions/ further information to be provided:

None.

Resolved:

The Committee noted the report; and

The Committee agreed to adopt the Treasury Management Risk Register, attached as Annex 2.

27/19 DATE OF NEXT MEETING [Item 9]

The date of the meeting was noted as 29 July 2019.

Meeting ended at: 11.00am
