LEAD OFFICER: GARATH SYMONDS, ASSISTANT DIRECTOR FOR YOUNG PEOPLE

SUBJECT: SERVICES FOR YOUNG PEOPLE COMMISSIONS IN REIGATE AND BANSTEAD 2012/13

DIVISION: ALL REIGATE & BANSTEAD DIVISIONS

SUMMARY OF ISSUE:

The purpose of this report is to update the Local Committee on the progress we have made towards participation for all young people in Reigate and Banstead in post-16 education, training and employment during 2012-13. This is the overarching goal of Services for Young People (SYP) and our strategy to achieve it is set out in 'The Young People's Employability Plan 2012-17'.

In particular, this Local Committee report focuses on how the different commissions managed by the Commissioning and Development Team have contributed to this goal, keeping in mind that these are only a part of the system that is working to increase participation. Please note that the majority of detailed performance information is provided in two annexes to this report.

Next steps have also been included to set out how we will keep the Local Committee informed about developments and our progress during the year ahead.

RECOMMENDATIONS:

The Local Committee (Reigate & Banstead) is asked to note:

- (i) The progress Services for Young People has made during 2012/13 to increase participation for young people in Reigate and Banstead, as set out in detail in the appendices to this report

REASONS FOR RECOMMENDATIONS:

The Local Committee has an important part to play in supporting the local development of Services for Young People, ensuring that the services provides the right support to young people in local communities. In particular, they have an important formal role in relation to the Local Prevention Framework.

1. INTRODUCTION AND BACKGROUND:

- 1.1 This report is for information. It provides a summary of the participation of young people in Reigate and Banstead, an overview of how the different commissions have performed during the year and a brief outline of how the Local Committee will be kept informed of our progress during 2013/14.
- 1.2 2012/13 has been a year of transition in Services for Young People, during which a range of new commissions and services that prepare and help young people to participate in education, training and employment when they leave school have been established. At the end of March 2013, this new system of services had reduced the number of young people who are not in education, employment or training (NEET) by 12% when compared to the same time last year - a real success for young people in the county.

2. ANALYSIS:

- 2.1 **Annex 1** provides a more detailed overview of the performance of Services for Young People in Reigate and Banstead, but some key headlines have been included below for information.
- 2.2 In March 2013, in Reigate and Banstead, almost 100 fewer young people in years 12 to 14 had a current activity of 'not known' than in March 2012. In this context we have also achieved a reduction in the number of young people in Years 12-14 who were NEET, 141 in March 2013 compared with 148 in March 2012.
- 2.3 The Local Prevention Framework in Reigate & Banstead, delivered by The Youth Consortium, has achieved 211% of its agreed performance level, engaging 279 young people who have been identified as most at risk of becoming NEET during the year in an average of 5.8 sessions of activity.
- 2.4 SCC Youth Centres in Reigate & Banstead delivered 1,744 hours of youth work during 2012-13, a 40% increase compared to 2011-12. Young people attending Reigate and Banstead centres have been engaged in an average of 15 sessions of youth work – the highest level in Surrey.
- 2.5 90 of the 99 young people who were identified as at risk of becoming NEET in Year 11 have been successfully supported into post-16 education, training and employment, more than 91%.
- 2.6 2,685 young people in Reigate and Banstead schools accessed online Information, Advice and Guidance as part of the Youth Engagement Contract.
- 2.7 During the year, the Commissioning and Development Team has worked alongside our different providers to ensure they are delivering to a high standard and improving outcomes for young people. The Team has taken a risk-based approach to managing performance, allowing those providers that are performing well to flourish and develop, whilst bringing robust challenge and appropriate support to address areas of underperformance.

3. OPTIONS:

3.1 There are no options in relation to this 'for information' report.

4. CONSULTATIONS:

4.1 During 2012-13 there has been wide ranging consultation with young people, staff, and partner agencies. The Youth Engagement Contract has secured feedback from more than 35,000 young people across Surrey in relation to different aspects of SYP services, the information we provide and local issues. Members have been consulted through the Local Committee Youth Task Group, Youth Steering Groups at some of our Youth Centres and were central to the review of the Local Prevention Framework completed early this year. The feedback from these different consultations has directly contributed to the development of our services during the year.

5. FINANCIAL AND VALUE FOR MONEY IMPLICATIONS:

5.1 The budget allocated to each of the commissions managed by the Commissioning and Development Team in Reigate and Banstead is provided in Annex 1.

5.2 It is anticipated that the local commissioning of the Local Prevention Framework, which is currently underway, will offer better value for money, as the outcomes commissioned will be more closely aligned to local needs.

6. EQUALITIES AND DIVERSITY IMPLICATIONS:

6.1 Through local commissioning and needs analysis we focus our resources on identifying and supporting those young people who are most at risk of experiencing negative outcomes in the future. This group includes young people from a wide range of backgrounds and its make up often varies between different parts of the county.

7. LOCALISM:

7.1 Localism is at the heart of much of the activity commissioned and delivered by Services for Young People and all our services are co-produced (developed, designed and delivered) with young people from local communities. Particular examples of localism in action are the Local Prevention Framework, Small Grants programme (**Annex 2**) and Steering Groups at Youth Centres.
