

SURREY COUNTY COUNCIL

LOCAL COMMITTEE (REIGATE & BANSTEAD)

DATE: 17 JUNE 2013

LEAD OFFICER: GARATH SYMONDS, ASSISTANT DIRECTOR FOR YOUNG PEOPLE

SUBJECT: LOCAL PREVENTION FRAMEWORK – TASK GROUP RECOMMENDATION

DIVISION: ALL REIGATE & BANSTEAD DIVISIONS

SUMMARY OF ISSUE:

The recommendation for the of award of funding is the culmination of several months' work by the Youth Task Group that will result in services being commissioned by the local committee in response to local need. The focus of the work will be to reduce the risk factors that are predictors of young people becoming Not in Education Employment or Training (NEET) in Reigate and Banstead.

The Local Committee is responsible for commissioning services to prevent young people becoming Not in Education, Employment or Training within their local area. The Youth Task Group has recently met and received presentations from a range of potential suppliers. This papers sets out their recommendation as to who the funding should be awarded to.

RECOMMENDATIONS:**The Local Committee (Reigate & Banstead) is asked to:**

- (i) Approve the Youth Task Group recommendation to aware a funding agreement for a twenty-four month period from 1 September 2013 to the following provider:
 - Reigate and Redhill YMCA for 100% of the contract value (£139,500pa) to prevent young people from becoming NEET in Reigate and Banstead.

REASONS FOR RECOMMENDATIONS:

The recommendations will support the Council's priority to achieve full participation; that is, for 100% of young people aged 16 to 19 to be in education, training or employment.

1. INTRODUCTION AND BACKGROUND:

- 1.1 The Local Prevention Framework (LPF) is an allocation of £139,500 per annum (pa) to the Surrey County Council (SCC) Local Committee in Reigate and Banstead to commission outcomes to work with young people most at risk of becoming NEET, prepare them for participation and prevent them becoming NEET. The allocation is based on the number of young people who are NEET or at risk of NEET in the borough with an adjustment for the number of youth centres. LPF provision is for services delivered outside of the school day.
- 1.2 The LPF delivers against the County Council's expectation that where possible, local youth services will be commissioned locally, in line with the government's localism agenda. In furtherance of this agenda the Local Committee convened a Youth Task Group to act in an advisory capacity through the procurement process with representation from young people, County Members, Borough Members, community stakeholders and support from County and Borough officers.
- 1.3 The purpose of the local prevention framework is to prepare young people for participation and prevent them becoming NEET. It works with young people of secondary school age, who are most at risk of becoming NEET and complements the functions of the Youth Support Service that has a clear focus on young people who are currently NEET or who are currently in the youth justice system.

2. ANALYSIS:

- 2.1 The provider solutions were sought in a competitive process involving four stages:

2.2 A needs assessment workshop was held on 11 February 2013 with representation from young people, elected members and other local stakeholders. The workshop was able to consider the data on NEET young people, young people at risk of NEET and youth offending, information from the Index of Multiple Deprivation (IMD) and the perspective and experience of the workshop participants.

2.3 The Local Committee approved the LPF Specification for Reigate and Banstead on 4 March 2013. This included the following key priorities:

- Projects to prevent teenage pregnancy and projects which support teenage parents (mums and dads) to remain in education.
- Young people need highly developed role models, and mentoring opportunities to support them to make a successful transition post 16.
- Young people with mental health needs, including social skills and self esteem, as well as motivation and low aspirations.

2.4 The following key identified neighbourhoods were highlighted by the Task Group:

- Preston Ward – in particular the Pitwood Green area
- Merstham Estate – in particular Portland Drive area
- Redhill – Timperley Gardens, Longmead, Colesmead,
- South Reigate – Woodhatch, South Park, Meadvale
- Horley East and West and Court Lodge Road

2.5 In addition the Task Group asked that bidders met the following key criteria when bidding:

- Projects must demonstrate a strategy for engaging young people.
- Projects must work alongside the Supported Families Programme, Youth Support Service, Surrey Police, and create links with Youth Centres.
- Projects must deliver during the school holidays (in particular the summer, Easter and half-term holidays), weekends and evenings to young people in addition to term-time out of school hours.
- Projects should have a focus on working with young people around relationships in the broadest sense (e.g. friendships, peer, family and personal relationships).
- Providers should form strong links with local schools and existing alternative education/training provision, including non-statutory education services ensuring that they take account of current provision in the Borough.
- Projects should not duplicate existing provision within the Reigate and Banstead area and should be flexible, enhancing or adding value to existing services.

- Provision should be developed in one or more of the key priority areas and should take into account the fact that young people will not travel between the north and the south of the borough.
- Bids should demonstrate how providers are going to promote their services and engage with young people. Use of appropriate media to communicate with young people is desirable.
- Projects must be preventative.

2.6 The Local Committee agreed the recommendation on needs and priorities as set out above at its meeting held on 4 March 2013.

2.7 Following the March committee the funding opportunity was published and widely publicised, reaching at least 96 voluntary organisations across the County, inviting as many bidders as possible to submit bids in response to the needs and priorities identified. A provider event for the South East was held on 18 March and was well attended. Five bids were received and four providers were short-listed for presentation to the task group on 22 May 2013.

The Task Group consisted of both County and Borough/District elected members. In addition young people, YSS and Commissioning and Development officers were present. The Task Group received presentations from each provider, followed by questions to each provider on their bid. Following all the provider presentations a discussion was held to form the recommendation to the Local Committee.

2.8 The shortlisted bidders were Catch 22, Groundwork South, Reigate and Redhill YMCA and Surrey Care Trust.

2.9 Following the four presentation the Youth Task Group recommended that:

Reigate and Redhill YMCA should receive 100% (£139,500pa) of the funding available.

3. OPTIONS:

3.1 The Local Committee is asked to:

- a. Approve the award of 100% of available funding to the provider.

The Committee is asked to approve the award of funding to the provider as recommended by the Youth Task Group. This will ensure young people receive a service from September 2013.

Should the Committee opt not to approve the providers bid, SCC would need to reopen the bidding process, which would mean a delay in the appointment of a provider.

4. CONSULTATIONS:

4.1 There has been wide ranging consultation with young people, staff, and partner agencies. Members have been consulted through the Local Committee Youth Task Group

5. FINANCIAL AND VALUE FOR MONEY IMPLICATIONS:

5.1 It is anticipated that local commissioning will offer better value for money in that the outcomes commissioned will be more closely aligned to local need.

5.2 Funding is subject to the annual budget setting process for the County Council and is subject to change.

6. EQUALITIES AND DIVERSITY IMPLICATIONS:

6.1 The devolved commissioning budget is likely to be targeted on groups who are vulnerable or at risk. An Equality Impact Assessment has been completed for this re-commissioning cycle to assess the impact of this commission on young people with protected characteristics.

7. LOCALISM:

7.1 The Local Prevention Framework is at the heart of Services for Young Peoples commitment to localism. The LPF involves local young people, elected members and wider stakeholders in decision making.

8. OTHER IMPLICATIONS:

8.1 Crime and Disorder implications

It is anticipated that this commission is likely to target young people in this priority group.

8.2 Corporate Parenting/Looked After Children implications

It is anticipated that this commission is likely to target young people in this priority group.

9. CONCLUSION AND RECOMMENDATIONS:

9.1 The Local Committee is asked to approve the recommendation of the Youth Task Group for the award of a grant for a twenty four month period from 1 September 2013 to the following provider:

Reigate and Redhill YMCA for £139,500pa (100% of available funding)

10. WHAT HAPPENS NEXT:

10.1 Following the anticipated approval by the Committee there will be a five day 'stand-still' period, after which the grant for Reigate and Banstead will be awarded to Reigate and Redhill YMCA. This commission will start on 1 September 2013, ensuring a swift start to delivery of services to young people. The Youth Task Group will have the option of meeting twice per year, where updates will be provided on the performance of the provider.
