Traditionally the Committee has agreed to delegate this funding to the community safety partnership in Guildford (the Safer Guildford Partnership). The Committee is being asked to delegate its 2013/14 this funding to the Partnership.

RECOMMENDATIONS:

The Local Committee (Guildford) is asked to agree to:

- (i) Nominate a County Councillor to represent the Local Committee on the CSP in 2013-14.
- (ii) Agree that the community safety budget of £3,226 that has been delegated to the Local Committee be transferred to the CSP.
- (iii) Agree that the Community Partnerships Manager manages and authorises expenditure from the budget delegated to the Local Committee in accordance with the strategic aims of the CSP.

REASONS FOR RECOMMENDATIONS:

The County Council is a statutory member of the Community Safety Partnership, known as the Safer Guildford Partnership. The Council values partnership working that will make a positive contribution to local projects and activities that will create a safer community for Guildford residents.

1. INTRODUCTION AND BACKGROUND:

- 1.1 The Safer Guildford Partnership is the community safety partnership (CSP) in Guildford. Community safety partnerships (CSPs) were established under the Crime and Disorder Act 1998 (Section 17). The act stated that tackling crime should be a partnership matter and not solely the responsibility of the Police. The agencies represented on the CSP are required to work in partnership with a range of other local public, private, community and voluntary groups, and with the community itself. This approach recognises that both the causes of crime and disorder, and the interventions required to deliver safe and secure communities, lies with a range of organisations, groups and individuals working in partnership. A report of the activities undertaken by the Safer Guildford Partnership is delivered to the Local Committee on an annual basis.
- 1.2 In previous years the County Council's contribution to the local Community Safety Partnership held a proportion ring-fenced to deliver domestic abuse support services across the borough. The remainder of the funding supported local community safety activities and projects delivered by the Safer Guildford Partnership. To achieve better value for money, as of last year, the ring-fenced portion of the funding dedicated to domestic abuse was centralised across the county. However, the remainder of the budget was delegated to the Local Committee. This year the remainder for 2013-14 is £3226.
- 1.3 The Local Committee is asked to agree £3226 be transferred to the Safer Guildford Partnership to support local activities and projects which achieve the Partnerships aims and objectives.
