COMMUNITY VISION FOR SURREY

Three priorities

1 Helping people in Surrey to lead healthy lives

- Working to reduce obesity, excess weight rates and physical inactivity
- Preventing domestic abuse (DA) and supporting and empowering victims
- Improving environmental factors that impact people's health and wellbeing
- Supporting prevention and treatment of increasing risk and harmful drinking
- Ensuring that everyone lives in good and appropriate housing
- Promoting prevention to decrease incidence of serious conditions and diseases
- Helping people to live independently for as long as possible and to die well

2 Supporting the emotional wellbeing of people in Surrey

- Enabling children, young people, adults and elderly with mental health issues to access the right help and resources
- Supporting the emotional wellbeing of mothers throughout and after their pregnancy
- Preventing isolation and enabling support for those who do feel isolated

3 Supporting people in Surrey to fulfil their potential

- Supporting children to develop skills for life
- Supporting adults to succeed professionally
