

Waverley PCN Performance 2018-2019

PCN Issued Summary

Waverley On-Street			
PCN's Issued		variance	
2016 - 2017	5194		
2017 - 2018	6415	21%	↑
2018 - 2019	5614	13%	↓

Overall PCNs are down from last year, which we hope is a good sign that increased number of patrols may be changing drivers behaviours and improved compliance. Now with an additional CEO we anticipate either increased PCNs or continued improved compliance.
