Date of Meeting	Scrutiny Topic	Description	Outcome	Cabinet Member / Officer
<p style="text-align: center;">26 MARCH 2020</p>	<p>Schools Alliance for Excellence (SAfE).</p>	<p>The Schools Alliance for Excellence (SAfE) is led by schools in partnership with Surrey County Council and other key partners in the education community. The SAfE’s aim is to take responsibility for the quality of education in the county, acting as an engine of improvement, brokering connections and initiatives across schools in Surrey. The partnership has a particular focus on incentivising schools to uphold the Council’s vision to be inclusive and leave no child behind. Members will seek to understand the vision of the SAfE taking into consideration the impact on children and young people in Surrey.</p>	<p>For the Committee to receive a report outlining the purpose and impact of the SAfE seeking assurances that it is meeting the Council’s core statutory duties for school improvement, as well as steering the changes needed to support the achievement of the community vision. Making recommendations as necessary.</p>	<p>Julie Iles, Cabinet Member for All-Age Learning</p> <p>Liz Mills, Director – Education, Learning and Culture</p>

Task Groups

<p>September 2019 – March 2020</p>	<p>Special Educational Needs and Disabilities (SEND) Task Group</p>	<p>The Council has identified this service as one of its key areas for transformation. There are significant demand and budget pressures and a case for change that make this a topic for scrutiny.</p>	<p>The Task Group is trying to answer the following questions:</p> <ol style="list-style-type: none"> 1. How has the commissioning of SEND placements been successful to date in delivering the needs of service users, what are the milestones for improvement and what assurances can be provided that they will be met within a sufficient timeframe 2. What support is provided to mainstream primary schools for the early intervention of children with SEND and is the support sufficiently publicised and resources? 3. In terms of SEND services, how is the resource gap in the school sector being addressed, and what impact does it have on SEND services as demand continues to rise. 	<p>Membership:</p> <p>Chris Botten (Chair)</p> <p>Chris Townsend</p> <p>Barbara Thomson</p>
