

Surrey County Council's Local Committee for

WAVERLEY LOCAL COMMITTEE

Bid for Local Committee Allocations for  
Highways Localism Initiative

PLEASE COMPLETE THIS FORM ELECTRONICALLY

Please answer the questions below.

1. Your details

a) **Name of organisation:** Bramley Parish Council

**Status of this organisation:**

Voluntary

Charity

Local authority

Private

b) **Contact details**

**Name:** Kathy Victor

Position in organisation: Parish Clerk

Company Name: Bramley Parish Council

Address Line 1: Village Hall

Address Line 2: Hall Road

Town: Bramley

County: Surrey

Post code: GU5 0AX

Telephone: 01483 894138

E-mail: bramleyparish@gmail.com

c) **Name of your County Councillor:** Victoria Young

2. Bid Detail

a) What **area(s)** will the work take place/ lengthsman operate in?

Bramley parish

b) If different from previous section, who is the **lead contact** that will be administering the scheme? (name, position in organisation, full address, phone, email)

As above

c) Have you approached **local suppliers** for prices and an idea of how much time they will work on behalf of the local council/s or residents association? Please detail.

Yes, Glendale has been approached to get an idea of the work involved. We would hope that Glendale will be used for some of the work, supported by Bramley Parish Council groundsmen.

d) How much **funding** are you requesting?

£2500

e) Are you looking for funding on a **matched/part or fully funded basis**? If matched or part funding, how is the remainder of the money being raised?

Fully funded

f) Briefly give details on how you would run the **lengthsman scheme**. For example, how you might manage working across a number of areas.

A section of the Downslink runs through the parish of Bramley and is very well used by walkers, runners and cyclists. In recent times there has been a large amount of fly-tipped garden waste and building materials appearing on the pathway – we believe from houses that back onto the path, although there is no proof of this. Bramley Parish Council has been working with the Waverley Rangers to try to educate residents about the dangers of fly-tipping, and we will continue to do so, but there is a need to clear the materials that are currently there. Bramley Parish Council will work with Glendale to clear this waste.

In addition, there are a number of areas within Bramley parish where grass cutting is not undertaken as often as the Parish Council would like. The Parish Clerk would work with Parish Councillors and the parish council groundsmen to identify areas where more cutting is needed and draw up a schedule for mowing on a fortnightly basis over the summer months only. The groundsmen would then undertake the work, managed by the Parish Clerk.

g) Please give some detail around **what difference doing this work will make to the community**.

Once the fly-tipped materials are disposed of, not only will the visual appearance of the Downslink be significantly improved, but we hope that the existence of rats along the path – which has become a problem – will be reduced.

The Parish Council often receives requests from residents for additional grass cutting alongside the highways. With the additional grass cutting, the parish would generally look much tidier which would be noticed and appreciated by parishioners as well as visitors to the area.

*If your bid is agreed we will send a **Grant Funding Agreement** for you to complete, including providing bank account details. All payments will be made by BACS. The payment will be made following agreement from the Local Committee or Divisional Member.*

**NB** If your bid is successful you will need a bank account in the name of your organisation. Any queries please contact the Highways Localism Team using the e-mail address:
