- b) On receipt of a Community Trigger application the SPOC will respond to the victim within 3 working days outlining the timescales for the full response, which will not exceed 25 working days from receipt of the CT.
- c) The CSO will carry out an initial assessment of the CT submission and arrange for a risk assessment of the victim to establish vulnerability. The SPOC will inform the CT Panel of the initial findings and level of vulnerability, and provide a draft action plan.
- d) The CT Panel will consist of the Strategic Director, Waverley Borough Council, senior representative from Housing Provider (if appropriate), Borough Insp, Surrey Police and Surrey County Council Community Safety representative.
- e) The decision to accept or reject a CT will be fed back to the victim by the SPOC, with a clear explanation of the reason for the decision including time frames for carrying out the review and how this will be done.
- f) The Panel will meet to review the CT as soon as possible and an action plan put in place.
- g) The CHaRMM or the JAG will be used when appropriate to oversee actions arising from the Community Trigger.
- h) The outcome of the CT will be fed back to the victim within 25 working days by the SPOC.

What is Waverley's Joint Enforcement Initiative (JEI)?

Waverley's Joint Enforcement Initiative brings together Waverley's Environmental Enforcement, Environmental Health, Housing, Parks and Licensing officers to work with the police and community groups to combat environmental crime and anti-social behaviour.

Agreed tasking process

- An A-Z directory of key environmental enforcement and Anti-social behaviour issues and the service departments that deal with them will be developed and shared with all services and agencies. This will include contact details of lead officers in each of those service areas and their email addresses and contact details.
- When an issue arises the recipient of the complaint should use the A-Z directory to identify those services which might be able to assist and direct the issue (via email) to the appropriate officer/department.
- If it is not possible to identify the relevant service then the issue should be directed to the Community Safety inbox (CommunitySafety@waverley.gov.uk) who will signpost the officer to the appropriate officer/department. It is hoped that the majority of issues will be of a routine nature and will be able to be dealt with as soon as possible in this way.
- If the issue cannot be resolved in this way on a day to day basis, needs the involvement of more than one service or has failed to be satisfactorily resolved, it will be placed on the next JAG agenda (requests should be sent to CommunitySafety@waverley.gov.uk).
- The JAG will continue to meet every month. Joint enforcement action will become a standing agenda on the agenda, with membership of the JAG extended to include Planning Enforcement, Emergency Planning, Comms, and Licensing to enable enforcement issues to be discussed.
- There will be a standard template for data collection and reporting to JAG on Sharepoint which all appropriate officers will be expected to complete a week prior to the meeting. This will include reports relating to abandoned vehicles, dog fouling, dangerous dogs, fixed penalty notices, alcohol and drugs litter.

- This data will also be reported to Management Board and the OPCC. Officers will be also asked to highlight any successful interventions or campaigns so that publicity opportunities can be maximised.
- There is a web page for members of the public to report environmental crime and anti-social behaviour issues www.waverley.gov.uk/report-it . This web page will be publicised for public complaints and displayed on the vehicles. The web page automatically redirects the report to the appropriate department. The Main Switchboard telephone number, (01483 523333) will also appear on the vehicles and the reception staff will use the directory to refer complaints to the appropriate department for action.
