

ANNEX 1

HEALTH SCRUTINY COMMITTEE ACTIONS AND RECOMMENDATIONS TRACKER – UPDATED 26 MARCH 2013

The recommendations tracker allows Committee Members to monitor responses, actions and outcomes against their recommendations or requests for further actions. The tracker is updated following each Select Committee. Once an action has been completed, it will be shaded out to indicate that it will be removed from the tracker at the next meeting. The next progress check will highlight to members where actions have not been dealt with.

Select Committee Actions & Recommendations

Number	Item	Recommendations/ Actions	Responsible Member (officer)	Comments	Due completion date
