FORWARD WORK PROGRAMME

- 1 The Committee is asked to review its forward work programme, which is attached. The recommendations tracker will be implemented from the Committee's next meeting on 19 September 2013.
- 2 The recommendations tracker allows Committee Members to monitor responses, actions and outcomes against their recommendations or requests for further actions. The tracker is updated after each Committee. Once an action has been completed and reported to the Committee, it will be removed from the tracker. The next progress check will highlight to Members where actions have not been dealt with.
