**Completed Internal Audit Reports**

**SUMMARY AND PURPOSE:**

The purpose of this report is to inform Members of the Internal Audit reports that have been completed since the last meeting of this Committee in June 2013 - as attached at Annex A.

Although it is not the Committee's policy to review all Internal Audit reports in detail during the meeting, full copies of the reports summarised have been provided to Members of the Committee and are available through the Members' on-line library.

**RECOMMENDATIONS:**

The Committee is asked to consider whether there are any audit reports or management action plans that it would like to review further and whether there are any matters they wish to refer to the relevant Select Committee.

**BACKGROUND:**

- 1 At the conclusion of each audit review a report is issued to the responsible manager who is asked to complete an action plan responding to the recommendations.
- 2 The return of a management action plan (MAP), which in the auditor's opinion adequately addresses the report findings and recommendations, signals the end of the audit process. Any follow up work required forms part of future audit plans at the appropriate time.

- 6 In order to fully discharge its duties in relation to governance the Committee is asked to review the attached list of recently completed Internal Audit reports and determine whether there are any matters that it would like to review further or if it would like to suggest another Select Committee does so.

**SELECT COMMITTEE REVIEW:**
