The proposal includes providing appropriate capacity for 1,500 places. This is reflective of the actual number of pupils on roll at the school of 1,452.

The published admissions number (PAN) of 210 was determined through the appropriate admissions consultation rounds for September 2017.

Objectives

10. The objectives of the proposals.

St Andrew's Catholic School is a voluntary aided school and are their own admissions authority. In 2017, the school increased its PAN from 150 to 210 to reflect the increase in Catholic demand for places. The school has to admitted above PAN in every year from 2013 to 2019 and the total number of pupils on roll has increased from 934 in 2013 to 1,457 in 2020.

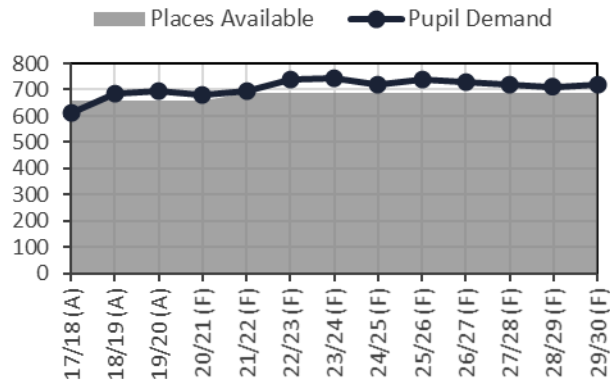

There has been some capital investment by the Diocese to enable the school to admit more pupils. The school was unable to continue to offer additional places in 2020 to meet Catholic demand due to the physical limitations of its current accommodation.

In 2014, Surrey County Council expanded St Peter's Catholic Primary School in Leatherhead by one form of entry to provide 210 additional places, or 30 places per year over 7 years. This expansion was to meet the increased demand for Catholic primary places in Mole Valley. St Peter's Catholic Primary School is a direct feeder school to St Andrew's Catholic School and these additional pupils will be expected to feed into St Andrew's Catholic School from September 2021 onwards. Given the proximity of the pupils to St Andrew's Catholic School, they will receive priority over other Catholic children in the deanery who live further away, and therefore without expansion, the school would be unable to meet the future demand for Catholic secondary places in the deanery.

For the purposes of place planning, St Andrew's Catholic School is in Surrey County Council's Leatherhead secondary place planning area with Therfield School and Howard of Effingham School. Leatherhead is a cross border planning area, as Howard of Effingham is located in the borough of Guildford but is geographically situated closer to schools in Mole Valley than schools in the rest of the Guildford borough.

School	PAN
Howard of Effingham School	240
St Andrew's Catholic School	210
Therfield School	210
TOTAL	660

Pupil forecasts for the Leatherhead planning area suggest that there will be a sustained demand of over 700 pupils in the long term, as we are seeing increased cohorts from the primary sector start to transition into the secondary age group.

However, the majority of this demand stems from pupils residing outside of the Mole Valley district as projections for the local Leatherhead wards themselves show a fairly static population trend, with any increases generated from new housing only. The pupil population attending other schools in the planning area, namely Therfield School which is undersubscribed, also remains fairly static with St Andrew’s Catholic School cohorts having negligible effect on these local numbers.

St Andrew’s Catholic School serves a large Catholic deanery, whose boundaries extend some distance beyond the district border and include Epsom, Ashted, Banstead, Dorking, Effingham and Fetcham, Ewell, Leatherhead, Tadworth and more recently Cobham. The school therefore admits pupils from a wide area in accordance with its faith-based admissions criteria.

Project costs

For the purposes of place planning, St Andrew’s Catholic School is in Surrey County Council’s Leatherhead secondary place planning area.

- (b) where the school has a religious character, a statement and supporting evidence of the demand in the area for education in accordance with the tenets of the religion or religious denomination;

St Peter’s Catholic Primary School is a direct feeder school to St Andrew’s Catholic School. An expansion in 2014 means additional Catholic pupils will be expected to feed into St Andrew’s Catholic School from September 2021 onwards.

The majority of this demand for St Andrew’s Catholic School stems from pupils residing outside of the Mole Valley district.

St Andrew’s Catholic School serves a large Catholic deanery, whose boundaries extend some distance beyond the district border and include Epsom, Ashted, Banstead, Dorking, Effingham and Fetcham, Ewell, Leatherhead, Tadworth and more recently Cobham.
