2/21 INTERNAL AUDIT & COUNTER FRAUD ANNUAL REPORT AND OPINION 2020-21 [Item 2]

Witnesses:

Russell Banks, Chief Internal Auditor
David John, Audit Manager

Key points raised during the discussion:

1. Officers introduced the item and noted that the purpose of the report was to give an opinion on the adequacy of Surrey County Council's control environment and covered the audit work completed in the year from 1 April 2020 to 31 March 2021 in accordance with the Internal Audit Strategy for 2020/21. Members noted that a Reasonable Assurance opinion had been given in the report.
2. Members noted that the Internal Audit service's response to COVID-19 was appreciated throughout the organisation. Further details on the service's response could be found in the report.
3. The Committee asked for further detail on the Local Enterprise Partnerships (LEP) internal audit and Officer Code of Conduct internal audit and why a partial assurance opinion had been given. In regards to the Officer Code of Conduct internal audit, officers explained that there was a key focus on the code's processes around Gifts and Hospitality and Declarations of Interest. It had been found that there were variations in how different services interpreted the policy and that the system was reliant on manager input. Members noted that the organisation's response to findings was to begin to move away from a manual recording process to become fully automated. In regards to the LEP internal audit, Members noted that the main issues were around post-project evaluation and implementation procedures. Weaknesses had also been found in how risks were recorded and that there was a low risk-appetite.
4. In regard to the summary of audit opinions 2020/21 compared to 2019/20 outlined in Annex 1, officers asked why there was a

significant difference between the number of audits within each year. Officers explained that the reasons were due to the COVID-19 response, fewer irregularities and an increase in grant work being conducted.

5. Members asked for details on the savings achieved through the counter fraud work. Officers explained that National Fraud Investigation work was still underway and that it was extremely difficult to put a monetary value on counter fraud work as not all cases included a loss or gain in money.
6. Members noted that it was very unlikely that the council would receive a substantial assurance opinion as improvements could always be made.
7. Members felt the report was a fair assessment of what had been undertaken over the last year.

Actions/ further information to be provided:

None.

Resolved:

The Committee:

1. noted the work undertaken and the performance of Internal Audit in 2020/21 and the resultant annual opinion of the Chief Internal Auditor; and
2. Determined that there were no matters that the Committee wished to draw to the attention of the Cabinet or full Council; and
3. Considered that the Council's arrangements for internal audit had proved effective during 2020/21.

3/21 RISK MANAGEMENT [Item 3]

David Mody, Interim Strategic Risk Business Partner

Key points raised during the discussion:

1. Officers introduced the report and provided a brief summary. Members noted that the purpose of the report was to provide an update on the current risk management position and next steps to improve risk management across the organisation. Officers highlighted the following key points:

3. Members asked whether there were any areas of the council that were conducting no risk management at all. Officers explained that a review of each directorate would be undertaken to understand if, and how, risk management was incorporated into the services. Officers would keep the committee updated on any progress.
4. The Committee asked for clarification on the quality of risk registers at the council. Officers explained that peer-review of risks registers as well as management review would be undertaken to share best practice as well as frequent reviews on an individual basis. Officers further stated that work throughout the COVID-19 pandemic had made officers more aware of the importance of risk management.

Furthermore, Members noted that the report also covered the response to the pandemic, recovery, conclusions in relation to financial management, transformation, system & process work and progress in workforce.
2. Members asked why the Annual Governance Statement stated that risk management had received a 'reasonable assurance' opinion when improvement to risk management was ongoing. Officers explained that the main detail was outlined within the Annual Audit Opinion and that the trajectory of improvement was taking into account when forming an opinion.

2. A Member of the Committee noted that one of the key issues in the report was around inflation and interest rates remaining low and this was particularly as borrowing had increased externally.
