Immediate Detriment Framework update

Readers will be aware that on 29 November 2021 the Home Office withdrew its informal and non-statutory guidance on processing certain kinds of immediate detriment case ahead of legislation, with immediate effect. That withdrawal was accompanied by an HM Treasury note and Home Office statement on funding.

The Immediate Detriment Framework guidance to FRAs available on the [age discrimination page](#) of the FPS Regulations and Guidance website has been updated. Log-in details are required to access the page and can be provided to practitioners and administrators only.

If you are taking decisions on immediate detriment cases following the withdrawal of the guidance, you should speak to your FRA's Nominated Contact.

Technical query log

The current [log of queries and responses](#) is available on the FPS Regulations and Guidance website. The queries have been anonymised and divided into topics. The log is updated monthly in line with the bulletin release dates.

No new queries have been added this month.

FPS England SAB updates

[FRA remedy self-assessment survey research report and Chair's Christmas message](#)

We are pleased to bring you this year-end message from Joanne Livingstone, chair of the FPS England Scheme Advisory Board, which announces the publication of the outcomes of the FRA remedy self-assessment survey:

“Dear friends & colleagues,

The Scheme Advisory Board (SAB) is pleased to be able to share with you the results of the survey undertaken by the SAB secretariat in order to provide us with insights into the current administration arrangements and the challenges being faced by FRAs, in the light of both business as usual and remedy based challenges.

[FRA remedy self-assessment survey research report](#)

We would like to thank you all for engaging with the survey and making the time to share your plans and thoughts with us. You will see that this has led to recommendations being made for both the SAB and other stakeholders. There are a number of recommendations in each of the key areas of future administration arrangements and for individual elements of remedy, namely data; contributions; processes; information, communications and coordination; knowledge, capability and capacity.

The SAB is well aware of the challenges and amount of work required to implement the various remedies and we expect that this risk will be prominent in your corporate risk registers. The SAB secretariat will be sending your individual responses to you, to benchmark against the overall average and we hope that this will help you to identify any areas for further focus to ensure that all FRAs have full project plans for the different teams required.

With regard to the communication challenges, the SAB hopes to provide assistance by making available a range of generic scenarios and some information videos in the coming months. Our committees have been busy working on this and are also looking at ways to ensure that the information resources are reaching the right people. All feedback is very welcome.

We know from the survey that the ticking timeclock is a concern. It does not seem a full year since I penned my first Christmas letter to you but we are already approaching the festive season so I thought I would also use this opportunity to reflect a little on the year's work. The year has been dominated by consultations and, in most but not all matters, their outcomes. The predominantly new Home Office pensions team has provided considerable engagement. We have all spent time considering the topics of remedy, 2016 valuations, and future valuation methodology for the cost cap and funding purposes. Meanwhile the pandemic has continued, though we are hoping that the main SAB meetings will be able to start to have a physical meeting element.

There have been changes in the SAB membership during the year. And, of course, you will also be aware of the departure of Clair Alcock to be Head of Police Pensions and the promotion of Claire Hey to be our Senior Adviser. This has left the Bluelight Team temporarily reduced in numbers and I would particularly like to thank Claire for working so hard to fill the void. I look forward to welcoming the new recruits when they are on board.

I would like also to thank my fellow SAB members, the SAB committee Chairs and all those involved in the Fire Pension committees, for their invaluable contributions and impressive knowledge and willingness to work through the issues.

So happy reading of the survey and best wishes to you all for the festive season.

Joanne Livingstone. Chair, English Firefighters' Pension Scheme Advisory Board"

Open letter from SAB to HMT on withdrawal of ID guidance

On 29 November 2021, the Home Office withdrew its informal and non-statutory guidance on processing certain kinds of immediate detriment case ahead of legislation, with immediate effect. The decision to withdraw the guidance was indicated as being based on [HM Treasury's best assessment on the advisability of processing immediate detriment cases](#).

The Board has written an [open letter to HM Treasury on the withdrawal of the guidance](#) to request more information on the risks and uncertainties mentioned in their assessment.

SAB SMA committee vacancy

The Board continues to carry a vacancy on the [Scheme Management and Administration \(SMA\) committee](#) for an FRA LPB representative. The main objectives of the committee are to provide guidance to the SAB to understand the value and cost of administration and to consider how scheme managers and administrators can best be supported by identifying best practice.

This is a great opportunity for an LPB member to get more involved with governance at a national level and represent the views of the sector.

The required commitment is usually three to four meetings per year, and these are currently being held virtually. If you are interested in sitting on the committee or would like more information, please email bluelight.pensions@local.gov.uk.
