# Strategic report

for the year ended 31 March 2021

The directors present their Strategic report with the financial statements for the year ended 31 March 2021.

# Company highlights

- Property portfolio of £251.3m (31 March 2020: £268.0m)
- Property acquisitions totalling £nil in 2020/21 (2019/20: nil)
- Gross profit of £15.7m for 2020/21 (2019/20: £16.5m)
- Profit before tax and fair value adjustments of £0.5m for 2020/21 (2019/20: £2.0m)
- Dividend proposed of £nil for the year to 31 March 2021 (2019/20: nil)

### **Business Model**

Our strategy is to build a diversified property portfolio, let to reliable tenants in good locations, to deliver income returns over the long term to our ultimate parent (Surrey County Council) for the benefit of Surrey residents.

Debt finance is secured solely from Halsey Garton Property Ltd and during 2020/21 Halsey Garton Property Investments Ltd paid £14.3m in interest payments (2019/20: £14.3m).

### **Financial summary**

Over the last six years Halsey Garton Property Investments Ltd has built a property portfolio valued at £251.3m. The company made a gross profit of £15.7m, down 5% from last year. Based on the performance of the company in 2020/21 and the impact of Covid-19 the directors have approved only a small dividend of £0.25m for 2020/21. Assuming no further acquisitions, £16.1m rental income will be due to the company in the financial year 2021/22.

The net change in values of our investment properties is a key component of the company's profit before tax. Due to the net deficit of £16.7m on revaluation of investment properties this year, the company made a loss before tax of £16.2m. Further information on the annual property valuation is provided below.

The total capital of the company consists of shareholders' equity and net debt. Over the year our debt remained constant as there were no further investments made in 2020/21. Our loan to value (LTV) ratio increased from 87% to 93%, because of decreases in the underlying values of our properties.

### Principal business risks

Property investment is subject to inherent market risks which can be mitigated to some degree by the creation of a balanced portfolio of investments. However, the risk of tenant failure increased during the Covid-19 pandemic and could continue to do so if the general economic conditions over the longer term are negatively impacted factors such as Brexit, increased online retailing and less demand for office space due to home-working. Investments are evaluated carefully and with due regard to risk and exposure to potential tenant voids, and are managed to avoid, wherever possible, over-reliance upon single tenants or types of tenants in terms of their impact as a percentage of the total portfolio.

Tenant voids were 5.6% at 31 March 2021, representing loss of rent due to voids, CVA's and other short-term reduced rent arrangements (excluding tenant lease incentives).

# Financial risk management

Management reviews the company's exposure to price risk, credit risk, liquidity risk and cash flow risk. Our overall financial risk management strategy seeks to minimise the potential adverse effects of these on our financial performance. Available funds are closely monitored throughout the year. Each new investment is financed by a combination of equity and debt provided by Halsey Garton Property Ltd, on a fixed interest rate. There is also a short-term loan facility available although to date that has not been required. Any cash investments are made via Surrey County Council in accordance with its Treasury management strategy, which prescribes investment limits according to the credit rating of the counterparty.

The overall credit risk of trade receivables is considered to be low – a credit report is obtained from an independent rating agency for each tenant prior to acquisition or upon agreement of a new lease. Tenants currently in known financial difficulties represent 6.9% of the 2020/21 rent roll.

# **Property review**

As at 31 March 2021:

- 17 properties, comprising 1,715,261 square feet of lettable space
- 57 (56 prior year) commercial tenants providing a contractual annual rent roll of £16.8m (£17.2m prior year)
- Weighted average unexpired lease term (WAULT) of 9.8 years to lease breaks/expiry
- Future income stream from tenants under lease agreements of £185.8m.

### **Property valuation**

The fair value of the company's investment property is measured annually at each reporting date with the changes in value reported in the company profit and loss account as an unrealised gain or loss. The revaluation exercise completed as at 31 March 2021 has resulted in an overall decrease in underlying values of £16.7m compared to the value of the assets last year or upon purchase for the three assets acquired during the year. These reductions are driven by general market sentiment and a reduction in the WAULT, the latter being due to there being very few leases up for renewal in the year.

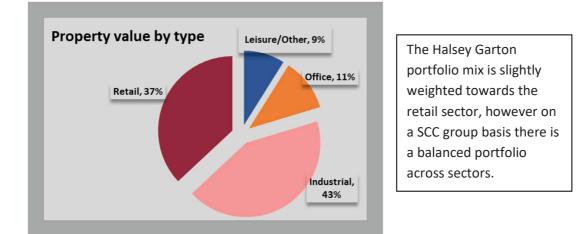

An unrealised loss is an accounting adjustment that does not impact upon the company's ability to provide a dividend since it is something that has not happened nor will happen unless the company decides to sell the asset. The company is free to determine when to sell an asset and therefore it is unlikely that there will be a realised loss since assets will generally

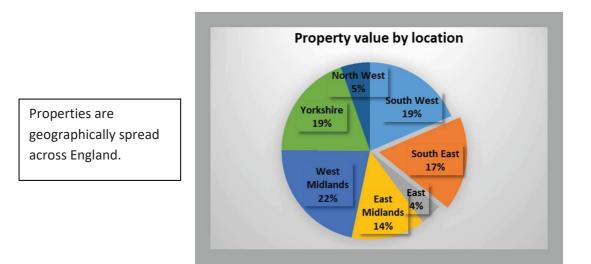

only be sold when it is beneficial to do so. Similarly, an unrealised gain cannot be used to provide a bigger dividend than that permissible from the underlying profits generated by the company.

All valuations are carried out externally, in accordance with the methodologies and bases for estimation set out in the professional standards of the Royal Institution of Chartered Surveyors, known as a 'red book' valuation.

### Portfolio overview

The Halsey Garton property portfolio sits within the investment portfolio of SCC, which as a whole seeks to build a diversified portfolio of assets in order to manage risks and secure long-term income returns for the council. This year there have been no acquisitions or disposals from the portfolio. As at 31 March 2021 our portfolio consisted of 17 properties across multiple sectors and locations throughout England, as detailed below.

# Portfolio detail

Property	Туре	Description	Acquisition Date	Asset Value £000
Hampton Park West, Melksham	Industrial	Manufacturing and warehouse facility	Nov-15	13,850

Secure long-term income stream	WAULT to lease breaks/expiries	9.8 years	10.9 years

### **Business conduct**

Halsey Garton Property Investments Ltd operates in accordance with its ultimate parent's values and policies, including its responsible investment policy. This policy ensures that the decision-making process for all new investments involves consideration of a range of environmental, social and governance factors. The company seeks to establish strong business relationships with its advisors and suppliers and to pay them within agreed payment terms.

Halsey Garton reviews its health and safety obligations in relation to its property portfolio on a regular basis. As part of an agreed approach with our managing agents, we have undertaken a detailed health and safety risk assessment of all our properties with a view to identifying any remedial actions required.

This report was approved by the Board on 11 October 2021 and signed on its behalf by:

# Directors' report

for the year ended 31 March 2021

The directors present their report with the financial statements of the company for the year ended 31 March 2021.

### **Principal activities**

The principal activity of the company in the period under review was letting and operating of our own or leased rental estate.

### Directors

The directors shown below have held office during the year from 1 April 2020 to 31 March 2021:

N O'Connor (in office for the full year) D Wilding (appointed 10 March 2021)

Directors' remuneration during the year is £Nil. (2020: £Nil)

### The impact of COVID-19

The COVID-19 pandemic has resulted in unprecedented actions being taken by Governments across the globe, which have had a significant adverse impact on large swathes of the economy.

Halsey Garton Property Investments Limited remained in communication with tenants during the year to best understand the knock-on impact of COVID-19 on the business. At this time the business will be able to absorb impact on cash flow and continue for the foreseeable future. The directors continue to monitor the situation closely.

We will continue to follow the Government's and relevant sector specific bodies' policies and advice to ensure we always protect the safety and health of our employees and customers.

We also refer to note 3 on the company as a going concern.

### **Directors' indemnities**

The council has agreed to indemnify each Director against any liability incurred in relation to acts or omissions arising in the course of their ordinary duties, assuming they acted reasonably and in good faith.

### **Business structure**

Halsey Garton Property Investments Ltd is wholly owned by Halsey Garton Property Ltd and is part of the Halsey Garton group of companies as set out in the diagram below.

# Additional disclosures

The following directors' report disclosures have been made elsewhere in this report and financial statements:

- Recommended dividend (Strategic report page 1)
- Financial risk management policies and objectives (Strategic report page 2)
- Information on exposure to price risk, credit risk, liquidity risk and cashflow risk (Strategic report page 2)
- Future developments in the business of the company (Strategic report pages 1-5)
- Post balance sheet events (financial statements page 24).

# **Financial statements**

The financial statements and supporting notes on pages 13 to 24 include the results for Halsey Garton Property Investments Ltd only. Consolidated financial statements for the group have been prepared separately.

# Going concern

After reviewing the company's forecast and projections, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future being a period of not less than 12 months from the date of approval of these financial statements. As at  $31^{st}$  March 2021 there were net current assets of £0.1m recorded in the accounts, reduced from £0.5m at  $31^{st}$  March 2020. This reduction is primarily due to the inclusion of a bad debt provision in 2020/21, which is included in Administrative expenses.

The impact of COVID-19 has been felt by tenants within the properties held by Halsey Garton Property Investments Limited. At the time of producing these financial statements, the directors have a reasonable understanding of the impact to the company of the pandemic and consider that the company has adequate resources to continue in operational existence for the foreseeable future.

The company therefore continues to adopt the going concern basis in preparing its financial statements.

# Statement of directors' responsibilities

The directors are responsible for preparing the Strategic Report, Directors' Report, and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting standards and applicable law), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under Company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006.

They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# Provision of information to auditor

The directors confirm that:

- so far as each director is aware, there is no relevant audit information of which the company's auditor is unaware; and
- the directors have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

# Auditor

The auditor, UHY Hacker Young LLP, will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.

This report was approved by the Board on 11 October 2021 and signed on its behalf by:

1). O'Comar

### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF HALSEY GARTON PROPERTY INVESTMENTS LIMITED

#### Opinion

We have audited the financial statements of Halsey Garton Property Investments Limited for the year ended 31 March 2021, which comprise of the profit and loss account, the statement of financial position, the statement of changes in equity, the statement of cash flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in the preparation of the financial statements is applicable law and United Kingdom Accounting Standards including FRS 102, *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, Halsey Garton Property Investments Limited's financial statements (the "financial statements"):

- give a true and fair view of the state of the Company's affairs as at 31 March 2021 and of the Company's loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Emphasis of Matter – Valuation of investment properties**

In forming our opinion on the financial statements, which is not modified, we draw attention to the disclosures made in the Investment Properties Estimates discussion in note 4.3 and 5 on Investment Properties. As described in these notes, the valuation of the property portfolio requires significant judgement and estimates by the directors and the independent external valuers and is therefore considered a significant risk due to the subjective nature of certain assumptions inherent in each valuation.

Due to the impact of the Covid-19 pandemic, the directors have considered that the valuations of the investment properties have less weight attached to them for previous market evidence for comparison purposes. The directors' views on valuation is that investment property valuations have an inherent 'material valuation uncertainty'. Consequently, less uncertainty should be attached to the valuation of the Investment Properties this year than would normally be the case due to this material uncertainty and the unknown future impact of the pandemic. The directors will keep the valuation of the investment properties under review.

### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the director's use of the going concern basis of accounting in the preparation of the financial statement is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the entity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

### **Other information**

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon.

The directors are responsible for the other information contained within the financial statement. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

### Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or the directors' report. We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

#### **Responsibilities of directors**

As explained more fully in the statement of directors' responsibilities set out in the Directors' Report, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the company through discussions with directors and other management, and from our commercial knowledge and experience of the sector; and
- we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the company, including the Companies

Act 2006, taxation legislation and data protection, anti-bribery, employment, environmental and health and safety legislation.

- we assessed the susceptibility of the financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:
- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reading the minutes of meetings of those charged with governance; and
- enquiring of management as to actual and potential litigation and claims.

There are inherent limitations in the audit procedures described above; any instance of noncompliance with laws and regulations and fraud which is far removed from transactions reflected in the financial statements would diminish the likelihood of detection. Furthermore, the risk of not detecting a material misstatement due to fraud is greater than the risk of not detecting one resulting from error. Fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentation, or through an act of collusion that would mitigate internal controls.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: http://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

# Use of our report

This report is made solely to the Company's members, as a body, in accordance with part 3 of Chapter 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Jessica Moorghen (Senior Statutory Auditor) For and on behalf of UHY Hacker Young

for the year ended 31 March 2019

# 1. Company information

Halsey Garton Property Investments Ltd is a private company, limited by shares, domiciled in England and Wales, registration number 09152369. The registered office is Woodhatch Place, 11 Cockshot Hill, Reigate, Surrey, England, RH2 8EF.

# 2. Basis of preparation

These financial statements have been prepared in accordance with applicable United Kingdom accounting standards, including Financial Reporting Standard (FRS) 102 and with the Companies Act 2006. There were no material departures from this standard.

The financial statements have been prepared on a historical cost basis except for the modification to a fair value basis for investment properties as specified below. The Financial statements are presented in sterling  $(\mathfrak{L})$ .

# 3. Going concern

After reviewing the company's forecast and projections, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future being a period of not less than 12 months from the date of approval of these financial statements. As at  $31^{st}$  March 2021 there were overall net current assets of £0.1m recorded in the accounts.

At the time of producing these financial statements, the directors have a reasonable understanding of the impact to the company of the pandemic and consider that the company has adequate resources to continue in operational existence for the foreseeable future.

The company therefore continues to adopt the going concern basis in preparing its financial statements.

# 4. Accounting policies

# 4.1 Turnover

The turnover shown in the profit and loss account represents rents and income from other property services earned during the period, exclusive of VAT.

# 4.2 Recognition of income and expenditure

Revenue (income) from rents and other property related services, is recognised when the property or service is provided, rather than when payments are received.

Expenses in relation to services received are recorded as expenditure when the services are received rather than when payments are made.

Interest receivable on investments and payable on borrowings is accounted for respectively as income and expenditure on the basis of the effective interest rate for the relevant financial instrument rather than the cash flows fixed or determined by the contract.

Where income and expenditure have been recognised but cash has not been received or paid, a debtor or creditor for the relevant amount is recorded in the balance sheet.

8

# Page 202

# 4.3 Investment properties

Investment property is initially measured at cost, including transaction costs. Investment property is carried at fair value determined annually by external valuers and derived from the current market rents and investment property yields for comparable real estate, adjusted if necessary for any difference in the nature, location or condition of the specific asset. No depreciation is provided. Changes in fair value are recognised in profit or loss and transferred to the fair value reserve.

### 4.4 Loans between group companies

Loans between group companies are measured at amortised cost.

### 4.5 Leased assets – lessor

Rent received under operating leases is credited to profit and loss on a straight-line basis over the term of the lease. Incentives for the agreement of a new or renewed operating lease are recognised as a reduction in the rental income over the lease term, irrespective of the incentive's nature or form, or the timing of any payments.

# 4.6 Current Taxation

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the tax authorities. The tax rates and tax laws used to calculate the amount are those enacted by the balance sheet date.

# 4.7 Deferred Taxation

The tax expense recorded in the profit and loss account represents the sum of tax currently payable and deferred tax. Deferred tax is the tax expected to be payable or recoverable based on timing differences between the company's net profits recorded in the financial statements and taxable profits for tax computation purposes.

### 5. Judgements in applying accounting policies and key sources of uncertainty

In preparing these financial statements, the directors have made the following judgements:

- Determined whether leases entered into by the company are operating leases or finance leases. These decisions depend on an assessment of whether the risks and rewards of ownership have been transferred from the lessor to the lessee on a lease by lease basis.
- Investment properties are professionally valued annually using a yield methodology. This uses market rental values capitalised at a market capitalisation rate but there is an inevitable degree of judgement involved in that each property is unique and value can ultimately only be reliably tested in the market itself.
- That there are unlikely to be sufficient capital gains in the foreseeable future to enable the utilisation of a potential deferred tax asset on property revaluations. This judgement has been made in light of prevailing property market conditions, the continued expansion of the property portfolio and our experience that significant capital transaction costs on purchase are not offset by increases in underlying property values in the early years after purchase.

# 6. Average number of persons employed

During the year Halsey Garton Property Investments Ltd did not employ any persons directly. (2020: None)

# 7. Turnover

Turnover, analysed by category was as follows:

	2021	2020
	£	£
Rents received from investment properties	16,532,480	17,189,329
Landlord services – service charges	346,809	336,556
Landlord services – property insurance	105,717	164,264
Dilapidation and other income	8,400	-
Total	16,993,406	17,690,149

# 8. Profit on ordinary activities before taxation

The profit on ordinary activities before taxation is stated after the following:

	2021	2020
	£	£
Audit fees	27,018	10,000
Tax compliance services	5,260	8,655

Tax compliance fees are not paid to the Company's auditor.

# 9. Net cash inflow from operating activities

Reconciliation of operating profit/(loss) to cash utilise	ed in operations.	
	2021	2020
	£	£
Profit/(loss) on ordinary activities before taxation	(16,232,616)	(32,026,671)
Interest payable	14,273,496	14,267,891
Interest receivable	(100)	(9,017)
Unrealised loss on revaluation of investments	16,700,000	34,050,000
Net (increase)/decrease in working capital	(541,585)	(850,414)
Net increase in lease incentives	(2,041,874)	(3,969)
Net cash inflow from operating activities	12,157,321	15,427,820

# 10. Interest receivable and similar income

During the year  $\pounds100$  (2019/20  $\pounds9,017$ ) interest was receivable on cash balances held in the bank account.

	2021	2020
	£	£
Interest on advanced payments	-	-
Bank interest	100	9,017
Total	100	9,017

# 11. Interest payable and similar charges

Interest is payable on intragroup loans between Halsey Garton Property Investments Ltd and Halsey Garton Property Ltd.

	2021	2020
	£	£
Interest on loan	14,267,869	14,267,891
Other	5,627	-
Total	14,273,496	14,267,891

# 12. Taxation

The tax charge on the profit on ordinary activities for this period was as follows:

UK Corporation tax Deferred tax <b>Tax on profit on ordinary activities</b>	2021 £ 791,581 56,880 848,461	2020 £ 959,413 89,455 1,048,868
Factors affecting the tax charge/(credit):	2021	2020
	£	£
(Loss)/profit on ordinary activities before taxation	(16,232,616)	(32,026,671)
Rate of tax for period	19%	19%
(Loss)/profit on ordinary activities before taxation multiplied by the rate of tax for period	(3,084,197)	(6,085,067)
Expenses not deductible for tax purposes Chargeable gains/(losses) Group relief (claimed)	4,077,980 (3,107,964) (31,915)	7,250,189 (6,284,478) (8,312)

Adjustments in respect of prior periods (current)	351	(130)
Adjustments in respect of prior periods (deferred tax)	-	-
Adjust closing deferred tax to average rate	-	-
Adjust opening deferred tax to average rate	-	(530,908)
Deferred tax not recognised	2,994,206	6,707,574
Tax on profit on ordinary activities	848,461	1,048,868

Expenses not deductible for tax purposes comprise the net deficit from changes in the fair value of investments plus revenue expenses relating to the acquisition of properties.

# 13. Dividends

	2021 £	2020 ج
Paid during the year		-
To be declared post year end	250,000	-

# 14. Fixed assets – investment properties

The company's investment properties are valued annually on 31 March at fair value, determined by an independent, professionally qualified valuer, Montagu Evans LLP. The valuations are undertaken in accordance with the Royal Institution of Chartered Surveyors' Appraisal and Valuation Manual. Details on the assumptions made and the key sources of estimation uncertainty are given in note 5.

The net deficit on revaluation of investment property arising of  $\pounds 16,700,000$  as at 31 March 2021 has been debited to the profit and loss for the year and transferred to the fair value reserve. Had the properties not been revalued they would have been held at the historical cost of  $\pounds 328,875,010$  (2019/2020:  $\pounds 328,875,010$ ).

	2021	2020
	£	£
Fair value at 1 April 2020	267,950,000	302,000,000
Additions	-	-
Disposals	-	-
Fair value adjustments	(16,700,000)	(34,050,000)
Fair value at 31 March 2020	251,250,000	267,950,000

# 15. Debtors

	2021	2020
	£	£
Debtors due after more than one year		
Accrued income – unamortised lease incentive	3,574,635	1,532,761
Sub-Total	3,574,635	1,532,761
Debtors due within one year		
Trade debtors	701,359	625,521
Sub-Total	701,359	625,521
Total	4,275,994	2,158,282

All amounts shown fall due for payment within one year except for the unamortised lease incentive which is due in accordance with the terms of the lease.

# 16. Creditors: amounts falling due within one year

	2021	2020
	£	£
Amounts owed to parent company	1,620,018	-
Amounts owed to group companies	222,168	90,337
Corporation tax	596,010	552,067
Deferred tax provision	331,231	274,351
Deferred Income	2,021,696	2,800,732
Trade Creditors	-	-
VAT	911,953	686,414
Other creditors	232,012	290,483
Total	5,935,088	4,694,384

# 17. Creditors: amounts falling due after more than one year

	2021	2020
	£	£
Amounts owed to parent company	233,837,000	233,837,000
Total	233,837,000	233,837,000

Intragroup loans totalling £233,837,000 have been provided by Halsey Garton Property Ltd. These are revolving facility, maturity loan agreements at interest rates ranging from 5.5% to 6.6%. All are due to be repaid in full ten years from the original loan draw down. The carrying amount as at 31 March 2021 is included at amortised cost. All loans are due in more than 5 years.

# 18. Deferred tax provision

	2021	2020
	£	£
Opening balance at 1 April 2020	274,351	184,896
Accelerated capital allowances	-	-
Adjustments in respect of prior periods	-	-
Deferred tax asset for loss on revaluation	56,880	89,455
Closing balance at 31 March 2021	331,231	274,351

There is a potential deferred tax asset on property revaluations of £15,061,857 which has not been recognised in the accounts due to uncertainty about the availability of sufficient capital profits in the foreseeable future to utilise the losses against. The group incurred significant transaction costs at acquisition of the properties and its strategy is to hold properties for long term income returns and not capital gains. It is unlikely that any property will be sold until such time as it is beneficial to do so.

# 19. Called up share capital

Authorised, allotted and fully paid:

	2021	2020
	£	£
1 founders' shares of £1 each	1	1
92,685,999 ordinary shares of £1 each	92,685,999	92,685,999
Total	92,686,000	92,686,000

# 20. Fair value reserve

The fair value reserve comprises the cumulative net change in the fair value of investment property assets until they are sold or an asset is impaired. A potential deferred tax asset on revaluations of  $\pounds15,061,857$  has not been recognised in 2021 - see also note 18 above. The reserve is used to distinguish unrealised profits/(losses) from realised profits/(losses) which are held in the profit and loss account.

	Fair value reserve	
	2021 £	2020 £
Reserve at 1 April 2020	(60,925,010)	(26,875,010)
Fair value adjustments (Note 14)	(16,700,000)	(34,050,000)
Deferred tax asset for loss on revaluation		
Reserve at 31 March 2021	(77,625,010)	(60,925,010)

# 21. Leases

The minimum lease payments due to Halsey Garton Property Investments Ltd in future years are:

	2021	2020
	£	£
Not later than one year	16,491,382	16,026,630
Later than one year but not later than five years	57,755,810	65,275,646
Later than five years	111,513,604	113,419,643
Total	185,760,796	194,721,919

All leases entered into by the company are considered to be operating leases.

# 22. Related party disclosures

The company is 100% owned by Halsey Garton Property Ltd which is in turn 100% owned by Surrey County Council (SCC), the ultimate controlling party. Halsey Garton Property Ltd draws up consolidated financial statements for the Halsey Garton group and its registered office is Woodhatch Place, 11 Cockshot Hill, Reigate, Surrey, England, RH2 8EF.

The only related party transactions were intra-group transactions between Halsey Garton Property Investments Ltd and SCC and between Halsey Garton Property Investments Ltd and Halsey Garton Property Ltd and these have not been disclosed in accordance with section 33.1A of FRS 102.

# 23. Post balance sheet events

The directors have approved a dividend of £0.25m for 2020/21.
