REASONS FOR RECOMMENDATIONS:

To agree, a programme of highways works in Spelthorne for 2022/23, funded from budgets available to enable schemes and works to progress.

1. INTRODUCTION AND BACKGROUND:

- 1.1 In the 2022/23 financial year, Spelthorne will receive a devolved capital budget of **£259,873** for their major ITS priorities. Each county member will also have **£50,000** of county member Capital Allocation; of which up to **£15,000** may be used for minor ITS or all **£50,000** on capital maintenance (recommended option).
- 1.2 The proposed major ITS Forward Programme for 2022/23, derived from the ITS Prioritisation List, is in Annex 1 of this report.
- 1.3 The ITS Prioritisation List, ranked using the county council's CASEE scoring process (as guidance for members) is in Annex 2. Schemes that have had feasibility design may be prioritised for funding from committee budgets, central road safety budgets where available, or external funding sources such as the Community Infrastructure Levy (CIL) collected by Spelthorne Borough Council.
- 1.4 **Capital:** the Spelthorne Joint Committee's budget for capital works for 2022/23 is **£609,873** with **£259,873** for major ITS improvement schemes and **£350,000** for county member Capital Allocation.
- 1.5 The Stakeholder Engagement Officer will assist county members to ensure the best use of the county member Capital Allocation and enable commissioning to the Highway Maintenance team.
- 1.6 **Revenue:** County members will continue to receive an allocation of **£7,500** per county member to address maintenance issues in their division.

- 1.7 Table 1 summarises the various funding streams together with the budgets, for 2022/23. It also refers to the relevant parts of the report which set out how it is proposed to allocate this funding and the recommendations relating to each funding stream.

Table 1 – Summary of Spelthorne Funding Levels 2022/23

- 1.8 It is proposed that delegated authority be given to the Highway Engagement & Commissioning Manager to enable the highways programme to be delivered in a flexible and timely manner.
- 1.9 In addition to the Joint Committee’s devolved budget, there are Countywide capital budgets which are used to fund major maintenance (Operation Horizon), surface treatment schemes, footway schemes, drainage works and safety barrier schemes.
- 1.10 Countywide revenue budgets are used to carry out both reactive and routine maintenance works. The maintenance team manages a centrally funded revenue budget to carry out drainage investigation and small repairs locally.
- 1.11 The Road Safety Team manages a small Countywide budget to implement small safety schemes which are prioritised by the collision savings they provide. They also hold a small budget for the maintenance of Vehicle Activated Signs and Wig Wag signs at school crossing patrol sites.
- 1.12 The Road Safety Team have two additional countywide budgets to address the highest priority backlog of Road Safety Outside Schools and Road Safety schemes. Suitable schemes from the current ITS list will be put forward for consideration for this central funding. If a scheme on the Major ITS Forward Programme is prioritised for this Road Safety funding, then it is proposed to progress schemes on the reserve Major ITS list shown in Annex 1.
- 1.13 Contributions collected from developers through S106 agreements or Community Infrastructure Levy (CIL) Contributions can be used to fund, either wholly or in part, highway improvement schemes which mitigate the impact of developments on the highway network.

1.14 This report sets out the proposed programme of highway works for Spelthorne.

Where it is agreed that a scheme will not be progressed, this will be reported back to the appropriate county member.

However, up to **£15,000** of the **£50,000** available to each divisional member could also be used to fund a minor ITS scheme such as the installation of dropped kerbs. It is proposed that the schemes to be progressed will be identified by the county members in consultation with the Stakeholder Engagement Officer and commissioned to the appropriate team.

Member's Local Highway Fund (Revenue)
