

## Petition for Zebra Crossing and two Speed Cameras in Bletchingley High Street - May 2022

  
**ANNEX 1**

### SCC Written Petition

We the undersigned petition Surrey County Council to install a zebra crossing and two speed cameras within the stretch of the A25 High Street part of Bletchingley as stated in our petition summary (see below):

**PETITION: A25, BLETCHINGLEY**

**RECIPIENT: SURREY COUNTY COUNCIL**

Our names are Lucy Denny and Lisa Marriott representing residents living on the A25 in Bletchingley and other residents living in the village and surrounding areas. We have collected signatures in support of this petition.

### THE ISSUE

We, the undersigned residents of Bletchingley, formally request that the present 30 mph speed limit within the High Street of Bletchingley (between The Bletchingley Arms and The Red Lion) remains in force taking into consideration the following factors:

- Restricted sightlines for residents accessing and exiting the main A25 from driveways and parking directly fronting the A25 and also the service roads throughout the village are extremely dangerous.
  - Restricted sightlines for pedestrians (including school children and senior citizens) crossing either side of the A25 at any point throughout the High Street due to traffic travelling at speed through the village, including a very large number of articulated lorries and trucks.
  - Lack of speed cameras here into the village at either end will not only further compromise our safety on a daily basis encouraging drivers to go even faster but will impact on our environment.
  - Repairs to the A25 after the gas works last July have not been restored to the quality prior the works and as a result there are bumps left in the road. When larger vehicles hit these at speed, not only is this not safe, all of the older properties on the A25 shake with the impact. Given how many lorries pass through the A25 on a daily and nightly basis we all worry about the structures of our properties over time. This would be greatly reduced if there were measures throughout the village to slow their speed appropriately.
- 

## **Petition for Zebra Crossing and two Speed Cameras in Bletchingley High Street - May 2022**

### **SOLUTIONS**

Solutions to improve the present road conditions for motorists travelling along this section of the A25 as well as pedestrians are as follows:

- A more holistic approach be taken, specifically with regards to the safety of all pedestrians (including school children and the elderly), cyclists, parked cars and drivers in contact with the A25 and surrounding roads.
- We propose two active speed cameras, one either end of the village (e.g. from The Bletchingley Arms coming into the village from Godstone and by the barbers at the top of the village coming into the village from Redhill).
- We also propose a zebra crossing near the Village Store almost opposite the Whyte Hart (not opposite the Post Office which is further up the High Street).
- In the meantime we would like to have SIDS installed either end of the High Street (as specified above). We know there is a temporary one which states the speed limit, however we would like those SIDS that show drivers their current speed so they are reminded to slow down entering the village. Therefore, data from these can be monitored by the council to assess typical speeds of drivers currently travelling through the village.

[Lucy Denny](#) started this petition

On Tuesday 29th March 2022 my 18-year-old daughter was hit by a car outside our house on the A25 running through Bletchingley village. She suffered numerous injuries including a fractured pelvis from which she is still recovering. Her injuries have caused her huge upheaval, not least because she is having to sit her A-Levels whilst still in recovery. The A25 is a notoriously busy road along which people regularly speed, making it a very dangerous road for pedestrians (including children and pensioners), cyclists and drivers alike.

We have had a number of accidents in the village in recent months: my daughter's accident; a near miss involving another pedestrian on the same day as my daughter's

[Share this petition](#)

accident, and several car crashes. I do not want to see anymore accidents in the village before the authorities agree to take action. The village has a large population of children (including two schools) and pensioners so watching these groups in particular try to cross the road is terrifying.

We would like to see a Zebra Crossing put in place between The Village Stores and

---

**At 1,000 signatures, this petition is more likely to be featured in recommendations!**

Whyte Harte, and Speed Cameras at either end of the village to help slow down traffic and to create a safe place for all villagers and visitors to cross the road.

Please sign our petition and help us make Bletchingley a safer place for residents and road-users alike so that we can avoid any future horrible accidents.
