## Fond Farewell—Bernadette ‘Bern’ Cawley

You may have heard that it will be Bern’s last day in the Customer Relationship Team on 24 December.

We have collated some of the recognition that she deserves below. I’m sure you’ll join us in wishing Bern all the best for her future endeavours!

**“Bern, A huge thank you for your support and the craic over the last few months. I am very sad that you are leaving us but no doubt the foxes of Kingston will be pleased that they don't have to share you with us anymore!” - Leigh**

**“Bernadette, thank you for all the effort that you have put in us, the newbies, the training that you have provided has been amazing and it has made my learning journey more enjoyable and effective.”  
– Camilo**

**“Bern has been a real rock to our pensions team. An Encyclopaedia of pension knowledge!!”- Jowan**

**“Bern is an absolute superstar! She is the oracle for pensions as far as I am concerned, and her knowledge is so valuable to us here on the pensions team. I appreciate her taking the time to take us all on the pensions journey, which was a very helpful training session. Thank you again for all your wisdom Bern!” – Virginie**

**“Fountain of youth and knowledge with a great sense of humour thrown in for good measure, Bern was brilliant at delivering a complex subject into bite sized chunks.” – Rahul**

**“Dear Bern,  
You amazed me with your immense knowledge of the world of Pensions when I first joined. I would come to you when I had a difficult member and you always managed to turn their frown into a smile. That's the effect you had on the members and on the team. Your positive attitude at the worst of times helped a lot of us and I am very sad to see you go. You will be very sorely missed by your team and I'm sure by everyone who has known you in the Pensions team. I know I will miss you and our chats a lot. I wish you all the very best in whatever you plan to do in the future (hoping it is enjoying retirement ) and hope our paths cross soon someday. “ - Love Prerna xx**

**“All the best for the future Bern! You'll be missed but I must admit I will not miss the dread of fear I have when I receive a Team’s call from you, as I know it is never good news.” - David**

**“Bern, I'm so sad that you're leaving us. I can't thank you enough for all of the help (and laughs) you've given me since I joined. You are going to be SO missed here, not only by us, but members too. All the best for the future.” - Ria xx**

# Bulletin Breakdown!

## *LGA Bulletin Updates*

### New LGPS Minister

Lee Rowley MP was appointed Parliamentary Under Secretary of State in the Department for Levelling Up, Housing and Communities on 7 September 2022. It has now been confirmed that he has taken over ministerial responsibility for the LGPS.

Michael Gove MP was re-appointed Secretary of State for Levelling Up, Housing and Communities on 25 October 2022. He previously held this role between 15 September 2021 and 6 July 2022.

### Autumn Statement 2022

The Chancellor of the Exchequer delivered his Autumn Statement to Parliament on 17 November 2022. Pensions policies rumoured in advance of the statement such as changes to tax relief and the removal or suspension of the State Pension triple lock did not emerge.

The statement confirmed the following policies that have a direct or indirect impact on LGPS members:

- The State Pension triple lock was maintained and working age benefits will increase in line with inflation in April 2023. Next year's increase will be 10.1%
- The DWP review of the State Pension age will be published early in 2023. The review is currently underway to consider whether the existing timetable to increase the State Pension age remains appropriate. The Government must publish the review by 7 May 2023.
- No changes to the annual allowance, tapered annual allowance or Money Purchase Annual Allowance in 2023/24.
- No changes to the Lifetime Allowance which will remain at its current level of £1,073,100 until the end of the 2025/26 year.
- Current personal tax thresholds for income tax and national insurance (in England and Wales) will be frozen until April 2028. Increases to wages, benefits and pensions at a time of high inflation will mean that more of the lowest earners will start to pay tax and more people will be drawn into the 40 percent tax band.
- The additional rate threshold (in England and Wales) will reduce from £150,000 to £125,140 from April 2023. This is the threshold beyond which individuals pay income tax at 45%

You can find the [Autumn Statement 2022 documents](#) on the Government's website.
