6	Software		6A	Business Operations have raised a risk in respect of Transfer to third party administrator. The change comes right at the heart of the testing programme for Unit 4/DB&I delivery.	With a SAP freeze in place because of the DB&I programme it is going to be very challenging to design/test/deliver reporting for the new provider for 1 Aug AND design/test/deliver it again for the Unit 4 system in time to go-live with that system in December. There is not the resource to do this.	Bus Ops	2	1	2	TREAT/TOLERATE 1) Meeting took place with business ops on 22 February 2021. Outcome was agreement to look into an annual data submission in March 2022 which would allow for new system to be in place and reports built. 2) Year end data was sent to XPS by end of April 2022. The GL mapping has been finalised. 3) A 'go-live' date for the new system is confirmed as June 2023. Once Unit 4 is in use, monthly data transfers with XPS will be able to take place via i-connect. 4) Further discussions need to take place with XPS once Unit 4 is live to ensure data can be transferred seamlessly and whether year end reporting is still required. 5) Unit 4 is in place and the Pension Team are testing the data quality of the migration of SAP to Info Archive. Initial data testing is positive. The 'Live' date has not yet been announced due to numerous errors with the Unit 4 system. When Info Archive goes live, further testing will be required in the 'live' environment.		Senior Pensions Advisor	Jun-24

			9C	Communications have been sent to affected members to provide a further opportunity for those who did not respond to previous mailings to confirm if they want further information on the second option to join the modified scheme. 			9D	It was expected in January 2022 onwards for updates to be provided by the government (Home Office & Her Majesty's Treasury) for updates around the McCloud and Matthews/O'Brien projects. Unfortunately there has been little movement throughout 2022 and the updates provided means further work cannot be completed. Furthermore we have received insights from the LGA that significant progress will not be possible until Q3 or Q4 of 2023.	Member's frustrations may increase further as there is no work for SFRS to continue with until Q3 or Q4 of 2023. 10	McCloud / Age Discrimination		10A	Following the McCloud / Sargeant ruling, it was identified younger members of the 1992 pension scheme would face discrimination on the basis of their age due to the implementation of the 2015 pension scheme. Primary legislation has been put in place to move all members to the 2015 scheme. Secondary (remedial) legislation is due to come into effect in October 2023. Due to when the award will be paid, this may cause an Annual Allowance charge for some members. Additionally, some members will pay a higher level of tax due to two pay awards being paid in the same tax year.	Scheme Manager	3	2	6	TREAT: 1) Further information on managing any annual allowance charges is anticipated from the LGA. 2) The annual allowance threshold has increased from the tax year 2023/2024 which may reduce some members from paying annual allowance charges.
