

Dear Keith,

I'm writing to you as our councillor within Surrey County council as a resident of the community surrounding the B380 road. The footpath on this road serves as a vital transportation artery for our neighbourhood. We are grateful for the ongoing efforts to improve our area's infrastructure and public safety, which remains in urgent need of the installation of street lamps along B380 Road.

As you are aware, this road is heavily used by both residents and commuters, serving as a crucial route for many people travelling to the Pirbright Institute.

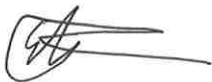

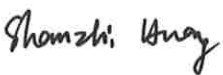

However, the lack of adequate street lighting along this stretch poses hazardous conditions for pedestrians, increasing the risk of accidents.

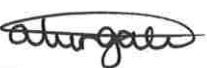

We, the undersigned residents and concerned citizens, kindly request the installation of street lamps along B380 Road as a matter of importance. This initiative will not only enhance the safety of all road users but also contribute to the overall quality of life in our community.

Thank you for your attention to this matter, and we look forward to a positive response from the local council. Please get in touch with me at jim.chadwick@pirbright.ac.uk if you require any additional information or assistance.

Sincerely,

Jim Chadwick
