

SURREY COUNTY COUNCIL**CABINET**

DATE: 26 NOVEMBER 2024

REPORT OF CABINET MEMBER: CLARE CURRAN, CABINET MEMBER FOR CHILDREN, FAMILIES AND LIFELONG LEARNING

LEAD OFFICER: JULIA KATHERINE, DIRECTOR OF EDUCATION AND LIFELONG LEARNING

SUBJECT: COORDINATED ADMISSIONS SCHEME FOR SEPTEMBER 2026

ORGANISATION STRATEGY PRIORITY AREA: NO ONE LEFT BEHIND

| |
|-------------------------------|
| Purpose of the Report: |
|-------------------------------|

The purpose of this report is to ensure Surrey determines and publishes its coordinated admissions scheme for 2026 in accordance with the requirements of the School Admissions (Admission Arrangements and Coordination of Admission Arrangements) (England) Regulations and the School Admissions Code.

Each year, Surrey County Council is responsible for processing approximately 30,000 applications for a school place from Surrey residents and coordinates offers for over 350 schools. This piece of work helps Surrey County Council meet its organisational strategy objective of 'No One Left Behind' by ensuring, as far as possible, that multiple offers are eliminated, thus freeing up a place to be offered to every child who needs one.

| |
|-------------------------|
| Recommendations: |
|-------------------------|

1. It is recommended that Cabinet make the following recommendation to the County Council:

Recommendation

That the coordinated admissions scheme that will apply to all applicants and schools for 2026 is agreed as set out in Annex 1.

| |
|------------------------------------|
| Reason for Recommendations: |
|------------------------------------|

- The coordinated admissions scheme for 2026 is essentially the same as 2025 with dates updated
- There are several changes that have been made to the primary and secondary schemes as points of clarification (see paragraph 9), but these do not alter current practice

- The coordinated admissions scheme will enable the County Council to meet its statutory duties regarding school admissions
- The coordinated admissions scheme is working well
- The Local Authority has a statutory duty to publish its coordinated admissions scheme for 2026 by 1 January 2025
- The proposed scheme meets the statutory requirements of the School Admissions (Admission Arrangements and Coordination of Admission Arrangements) (England) Regulations 2012 and the School Admissions Code

Executive Summary:

1. The School Admissions (Admission Arrangements and Coordination of Admission Arrangements) (England) Regulations 2012 set out the requirements for the coordinated admissions scheme and require each local authority to formulate a scheme by 1 January each year.
2. The School Admissions Code also requires local authorities to publish their scheme by 1 January each year.
3. Coordinated admissions schemes describe the process by which each local authority will coordinate the applications for school places for their residents and for their schools, to ensure, as far as possible, each child only receives one offer of a school place.
4. The coordinated admissions scheme sets out the timetable for application, the dates that the local authority will exchange information about school preferences and outcomes with other admission authorities (including schools and other local authorities) and when they will make offers of places for schools in their area.
5. Due to the number of cross border applications and offers, Surrey participates in the Pan London Admissions scheme whereby dates and the process for data exchange are coordinated with London LAs and other LAs bordering London.
6. The coordinated admission scheme in Surrey is working well with all schools participating, as they are legally required to.
7. The coordinated scheme proposed for 2026 complies with the statutory requirements for a scheme. It provides for all preferences to be named on one application form and for applications to be coordinated to ensure that, as far as possible, each child only receives one offer of a school place on the primary and secondary national offer days.
8. Dates within the coordinated admissions scheme for 2026 have been updated to ensure they comply with the Pan London timetable.
9. The only other changes are points of clarification, as follows, but these changes do not alter current practice:
 - in paragraph 4 of the primary and secondary scheme (pages 3 and 9 of Annex 1) a clarification has been added to confirm that it is only where the same parent completes more than one application that the application with the

latest date will be accepted. This makes a distinction between cases where two parents make separate applications

- in the secondary scheme, paragraph 7 (page 10 of Annex 1) has been added to bring it into line with the primary scheme. This paragraph makes clear that schools should send any paper forms they may receive to Surrey admissions
- in paragraphs 13, 22, 33, 39, 40 and 41 of the primary and secondary schemes (pages 4, 5, 6, 7, 10, 11, 12 and 13 of Annex 1) clarification has been added to confirm that information will be 'shared' with each admission authority rather than 'sent', to reflect that preferences are now shared with schools online
- in paragraph 23 of the primary and secondary schemes (pages 5 and 11 of Annex 1) reference to sending a letter by first class post has been removed as all the vast majority of outcomes are now shared online or by email. This does not preclude the team sending an outcome by letter where a parent has not applied online and does not have an email address
- in paragraph 30 of the primary and secondary scheme (pages 6 and 12 of Annex 1) clarification has been added about the need for evidence to have been provided by the deadline date in order for an application to be considered as on time

Consultation:

10. Regulations require consultation to take place where:
 - the qualifying scheme is substantially different from the qualifying scheme adopted for the preceding academic year, or
 - the local authority has not consulted on a qualifying scheme adopted in the previous seven years
11. The Local Authority last consulted on its coordinated admissions scheme for 2022 and so the seven-year threshold has not been met for consultation. In addition, the coordinated admissions scheme that has been proposed for 2026 is essentially the same as for 2025, with only dates updated and minor points of clarification added, so there are no significant changes. As such, no consultation has been undertaken on the scheme for 2026.

Risk Management and Implications:

12. The risks of implementing the coordinated admissions scheme is very low, with a greater risk if the scheme is not agreed.

Financial and Value for Money Implications:

13. The coordinated admissions scheme ensures processes can be streamlined and thus carried out within the available budget envelope.

Section 151 Officer Commentary:

14. The Council continues to operate in a very challenging financial environment. Local authorities across the country are experiencing significant budgetary pressures. Surrey County Council has made significant progress in recent years to improve the Council's financial resilience and whilst this has built a stronger

financial base from which to deliver our services, the cost of service delivery, increasing demand, financial uncertainty and government policy changes mean we continue to face challenges to our financial position. This requires an increased focus on financial management to protect service delivery, a continuation of the need to deliver financial efficiencies and reduce spending in order to achieve a balanced budget position each year.

15. In addition to these immediate challenges, the medium-term financial outlook beyond 2024/25 remains uncertain. With no clarity on central government funding in the medium term, our working assumption is that financial resources will continue to be constrained, as they have been for the majority of the past decade. This places an onus on the Council to continue to consider issues of financial sustainability as a priority, in order to ensure the stable provision of services in the medium term.
16. As such, the Section 151 Officer supports the continuation of the coordinated admissions scheme to meet statutory obligations.

Legal Implications – Monitoring Officer:

17. The coordinated admission scheme complies with the requirements of the School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) Regulations 2012 as amended and the School Admissions Code.

Equalities and Diversity:

18. The Equalities Impact Assessment has been completed in full and is attached in Annex 2. The adoption of a coordinated admission scheme is a statutory requirement. The coordinated admissions scheme does not discriminate according to age, gender, ethnicity, faith, disability or sexual orientation.

Other Implications:

19. The potential implications for the following council priorities and policy areas have been considered. Where the impact is potentially significant a summary of the issues is set out in detail below.

| Area assessed: | Direct Implications: |
|--|--|
| Corporate Parenting/Looked After Children | No significant implications arising from this report |
| Safeguarding responsibilities for vulnerable children and adults | Set out below |
| Environmental sustainability | No significant implications arising from this report |
| Compliance against net-zero emissions target and future climate compatibility/resilience | No significant implications arising from this report |
| Public Health | No significant implications arising from this report |

| |
|---|
| Safeguarding responsibilities for vulnerable children and adults implications: |
|---|

20. The efficient and timely administration of the school admission process, as set out in the coordinated admissions scheme, coupled with the equitable distribution of school places in accordance with the School Admission Code and parental preference, contribute to the County Council's priority for safeguarding vulnerable children.

| |
|---------------------------|
| What Happens Next: |
|---------------------------|

21. The coordinated admissions scheme will be ratified by the full County Council on 10 December 2024.
22. The scheme will then be published on Surrey's website by 1 January 2025 and all Surrey schools will be notified.
