<b>Service</b>	<b>School Admissions</b>
<b>Name of assessor/s</b>	<b>Claire Potier</b>
<b>Head of service</b>	<b>Trudy Pyatt</b>
<b>Date</b>	<b>16 October 2024</b>
<b>Is this a new or existing function or policy?</b>	<b>Existing policy under review</b>

**Write a brief description of your service, policy or function. It is important to focus on the service or policy the project aims to review or improve.**

The coordinated admissions scheme describes the process by which each local authority will coordinate the applications for school places for their residents and for their schools, the exchange of information about preferences between admission authorities (including schools and other local authorities) and how they will make offers of places for schools in their area. There is a statutory duty for each LA to formulate and publish their scheme by 1 January each year.

**Indicate for each equality group whether there may be a positive impact, negative impact, or no impact.**

<b>Equality Group</b>	<b>Positive</b>	<b>Negative</b>	<b>No impact</b>	<b>Reason</b>
<b>Age</b>			X	
<b>Gender Reassignment</b>			X	
<b>Disability</b>			X	
<b>Sex</b>			X

**If you find a negative impact on any equality group you will need to complete stage one and move on to stage two and carry out a full EIA.**

**A full EIA will also need to be carried out if this is a high profile or major policy that will either effect many people or have a severe effect on some people.**

<b>Is a full EIA required?</b>	<b>Yes (go to stage two)</b>	<b>No</b>
		X
<b>If no briefly summarise reasons why you have reached this conclusion, the evidence for this and the nature of any stakeholder verification of your conclusion.</b>		
The coordinated admissions scheme applies equally to all applicants and will not have a negative impact on any specific equality group.		
<b>Briefly describe any positive impacts identified that have resulted in improved access or services</b>		
The coordinated admissions scheme will ensure applications for a school place, including the most vulnerable, will be considered in an efficient and timely manner.

## Introduction and background

**Using the information from your screening please describe your service or function. This should include:**

- The aims and scope of the EIA
- The main beneficiaries or users
- The main equality, accessibility, social exclusion issues and barriers, and the equality groups they relate to (not all assessments will encounter issues relating to every strand)

**Now describe how this fits into ‘the bigger picture’ including other council or local plans and priorities.**

## Evidence gathering and fact-finding

**What evidence is available to support your views above? Please include a summary of the available evidence including identifying where there are gaps to be included in the action plan. *Remember to consider accessibility alongside the equality groups***

Sources of evidence may include:

- Service monitoring reports including equality monitoring data
- User feedback
- Population data – census, Mosaic
- Complaints data
- Published research, local or national.
- Feedback from consultations and focus groups
- Feedback from individuals or organisations representing the interests of key target groups
- Evidence from partner organisations, other council departments, district or borough councils and other local authorities

**How have stakeholders been involved in this assessment? Who are they, and what is their view?**

## Analysis and assessment

**Given the available information, what is the actual or likely impact on minority, disadvantaged, vulnerable and socially excluded groups? Is this impact positive or negative or a mixture of both? (Refer to the EIA guidance for full list of issues to consider when making your analysis)**

**What can be done to reduce the effects of any negative impacts? Where negative impact cannot be completely diminished, can this be justified, and is it lawful?**

**Where there are positive impacts, what changes have been or will be made, who are the beneficiaries and how have they benefited?**

### Recommendations

**Please summarise the main recommendations arising from the assessment. If it is impossible to diminish negative impacts to an acceptable or even lawful level the recommendation should be that the proposal or the relevant part of it should not proceed.**

### Action Plan – actions needed to implement the EIA recommendations

Issue	Action	Expected outcome	Who	Deadline for action

- Actions should have SMART Targets
- Actions should be reported to the Directorate Equality Group (DEG) and incorporated into the Equality and Diversity Action Plan, Service Plans and/or personal objectives of key staff.
