Dear Councillor Robini,

RE: Police and Crime Commissioner for Surrey Annual Report 2023-2024

Thank you for your letter dated 2 October 2024, setting out the Police and Crime Panel's views on the content of my Annual Report 2023/24.

I note that all but one of the recommendations relate to the content of future annual reports, and I will take these views into consideration when the time comes.

With regard to the Panel's recommendation that the current annual report be updated to include a more detailed summary of the last HMICFRS PEEL inspection, I do not feel this is necessary.

A comprehensive response to the PEEL report is already available on the OPCC website, and a link to this is included in the Annual Report. Adding more information to the Annual Report itself would simply be duplicative.

I would however like to thank the Panel for its feedback and I will look to publish the final version very shortly.

Yours sincerely,

Lisa Townsend
Police and Crime Commissioner
