PROCEDURAL MATTERS – MEMBER QUESTIONS

5

1. Question submitted by Cllr Victor Lewanski

As it's been some months since the Planning and Regulatory Committee rejected the proposal by Surrey County Council to develop the Park Hall Road site, Reigate, for the use of Reigate Valley College and the fact that my residents have been contacting me to ascertain what the future plans are for this site, could you please tell me the status of the site at Park Hall Road, Reigate and what plans Surrey County Council have to either put forward another proposal for the site or abandon the site for this particular proposal.

No further information has been submitted to the Planning Department to address the reasons why the application was referred back to the applicant by the Planning and Regulatory Committee. Any additional or revised information that is submitted would be subject to further public consultation before any recommendation was made by the Planning Department to the Committee. It is for the applicant team to decide if they wish to proceed with the application and to submit information to address the reasons for referral. As such this question may be best addressed to a different area of the Council.
