

HGV Control

1. The approved HGV traffic route to and from the site will be the A24 to North Holmwood Roundabout
2. Then via Flint Hill and Knoll Road to Coldharbour Lane
3. All traffic along Coldharbour Lane is under direct traffic control. Obey traffic controller's instructions at all times.
4. **DO NOT PROCEED ALONG COLDHARBOUR LANE IN EITHER DIRECTION UNTIL INSTRUCTED TO DO SO.**
5. If it is necessary to wait prior to proceeding along Coldharbour Lane, HGVs shall wait in the demarcated area at the west end of Knoll Road only.
5. Drivers should ensure awareness of any cyclists along the access route, particularly on the narrower sections of Coldharbour Lane.
6. No deliveries outside site delivery times.
7. No HGV deliveries during fog, ice/snow or heavy rain.

Environmental Control

Delivery Hours - 09:30 to 15:00 hrs Monday to Friday.

No Litter - Make sure any rubbish, food waste, etc. is disposed of appropriately. Ensure waste can't blow away in the wind.

Exhaust Emissions - All engines to be turned off when vehicles are waiting for unloading/loading, or when waiting for orders to proceed to Site
