The Surrey Safeguarding Adults Board (SSAB) is a statutory Board with responsibilities set out in the Care Act 2014.

The Board is chaired by an independent chair, Simon Turpitt.

It is a statutory duty for all Safeguarding Adult Board's to publish an annual report.

To support the transparency of the work of the Board, the Annual Report (Annex 1) is presented to Cabinet.

RECOMMENDATIONS:

It is recommended that Cabinet:

1. Considers and notes the attached Surrey Safeguarding Adults Board Annual Report prior to it being published.
2. Agrees to the publication of the Annual Report on the SSAB website.

REASON FOR RECOMMENDATIONS:

These recommendations demonstrate that the Council is well placed to fulfil its obligations under the Care Act to have an established Safeguarding Adults Board in its area.

It will support the SSAB to be transparent by providing information to the public on the performance of the Board in the delivery of its strategic plan.

DETAILS:

1. Surrey has had a Safeguarding Adults Board (SAB) in place for over a decade. The Board has been statutory since the implementation of the Care Act in April 2015. The

primary duty of the SAB is to ensure that the main statutory agencies work together to improve practice which protects and promotes the safety of adults at risk of abuse and neglect in Surrey.

2. Surrey Safeguarding Adults Board has presented its Annual Report to Cabinet for the last nine years. It is a statutory requirement under the Care Act for the Annual Report to be sent to the Chief Executive and Leader of the local authority, the Police and Crime Commissioner, the Chief Constable, Healthwatch, and the Chairman of the Health and Wellbeing Board.
3. The Board would like to support elected Members as community leaders to have a good understanding of the range of abuse and neglect issues that can affect adults and of the importance of balancing safeguarding with empowerment, as required by the Care Act (Section 14.193 of the statutory guidance). It is anticipated the Annual Report will increase that understanding.

Care Act 2014

4. The Care Act states each local authority must establish a Safeguarding Adults Board for its area. The objective of a SAB is to help and protect adults in its area from abuse and neglect. The way in which a SAB must seek to achieve its objective is by co-ordinating and ensuring the effectiveness of what each of its members does. A SAB may do anything which appears to it to be necessary or desirable for the purpose of achieving its objective.
5. Section 42(1) of the Care Act describes the adults that must be protected by safeguarding as:
 - an adult in the Local Authority area (whether or not ordinarily resident there)
 - who has needs for care and support (whether or not the authority is meeting any of those needs) and
 - is experiencing, or is at risk of, abuse or neglect, and
 - as a result of those needs is unable to protect himself or herself against the abuse or neglect or the risk of it.

CONSULTATION:

6. The Annual Report is a description of the Board's activities and challenges faced during the year. It will be shared with all partner members of the Board and made available to the public. It is not appropriate to consult on the content.

RISK MANAGEMENT AND IMPLICATIONS:

7. There are no implications within this report.

Financial and Value for Money Implications

8. The cost of running the Board is budgeted to be £290,000 per year. This includes costs for the Independent Chair, support staff, Safeguarding Adults Reviews (previously called Serious Case Reviews), training, conferences, awareness raising, etc.

9. A pooled budget with financial contributions from Surrey County Council, Police, health services, District and Borough Councils is in place. This arrangement ensures partner agencies have greater responsibility for the functioning of the Board.

Section 151 Officer Commentary

10. No significant financial issues arise from this report.

Legal Implications – Monitoring Officer

11. The production and publication of the Annual Report is a statutory duty under the Care Act.
