

OUR FOCUS FOR THE NEXT 5 YEARS 2020 - 2025

We are changing and improving what the Council does and how it delivers services to reflect the ways in which our residents and communities now live their lives. We are now a year into our transformation to become a leading council. We are ambitious about our future and here we outline where our focus lies in the years ahead.

Tackling inequality

Working with residents in every area of Surrey to identify and address causes of inequality, especially in life expectancy for everyone.

Supporting independence

Helping residents help themselves and each other within their community.

More joined up health and social care

Integrating health and council services so they're more effective, efficient and seamless for residents.

Creating a greener future

Tackling the causes of climate change and become a carbon-neutral county as soon as possible.

Embracing Surrey's diversity

Recognising the benefits of a diverse workforce and population to ensure Surrey is a place full of opportunity.

Partnership

Working with residents, businesses, partners and communities to collectively meet challenges and grasp opportunities.

Supporting the local economy

Investing in the infrastructure Surrey needs to build a strong and resilient economy.

Digital revolution

Making the most of new technology to innovate and improve services, and the way we work, to help Surrey and residents thrive.

OUR VALUES: we care about -
