

Joint Committee Decision Tracker

This tracker monitors progress against the decisions that the Joint Committee has made. It is updated before each committee meeting. When decisions are reported to the committee as complete, they are marked as 'closed', and will subsequently be removed from the tracker.

Decisions will remain on the tracker where 'closed' but not complete. This indicates that the decision has not yet been fully implemented, but that further progress is not possible at this time. The reasons for this will be indicated in the comment section. Decisions will be marked as 'open', where work to implement the decision is ongoing.
