B	Amended elevation B	09/09/19
A	Amended for planning submission	13/11/18
-	Initial drawing	07/03/18
Rev	Description	Date
Dimensions shown are in millimetres unless otherwise specified.		
Only building elevations are shown - no other features on site or on surrounding sites are shown.		
The new transfer building will be constructed using steel portal frames and steel cladding to sides and roof.		
The colour of the cladding will be Merlon Grey (BS 18825) or Goswearing Grey (BSW10405) in order to blend in with surrounding properties.
