

**MEETING OF THE COUNTY COUNCIL**

**13 OCTOBER 2020**

**AMENDMENT OF MOTION**

**Item 8 (iv)**

**Amendment by Helyn Clack to the motion standing in her own name**

**This Council notes:**

In Surrey, we are committed to enabling our residents, communities and local businesses to have a greater say over the issues that truly matter to them.

Surrey has a strong track record of partnership working and innate strengths and capacity within our communities and we wish to build on this.

This Council fully supports the enhanced local engagement work currently underway to ensure our residents have more influence over what happens in their local communities.

**Therefore, resolves that:**

- I. It supports residents to have a greater role in determining the priorities for the future of their communities.
- II. It enables enhanced resident engagement through the creation of a number of Local Community Networks **supported by the existing local and joint committee structure**, drawing partners together - **including Surrey's Boroughs and Districts and other statutory agencies** with the County at a local level and giving Surrey residents and communities a greater say in the issues that affect them.
- III. Through the Local Community Networks to work in partnership with local bodies and organisations to ensure effective and joined-up local approaches to addressing local issues and service provision.
- IV. It enables residents to take greater local control by the potential devolution of local assets and services.
