The minutes of the last meeting were approved.

### **36/20 DECLARATIONS OF INTEREST [Item 4]**

### **38/20 ANY PUBLIC QUESTIONS [Item 6]**

One question was raised by Mrs Yvonne Lowe and Old Woking residents. The question and the answer given by Surrey Highways was circulated in a supplementary agenda.

### **39/20 MEMBER QUESTIONS [Item 7]**

Cllr Lance Spencer referred to the Local Youth Arts charity (Peer Productions) who had made a Surrey "Your Fund" application. He asked whether members were aware that the Bracknell based charity wished to be based in Woking and asked whether the Borough Council were supportive of this. Members expressed their support and this would be followed up with Officers.

Cllr Ellen Nicholson referred to the accident on Pembroke Road and whether a 20mph zone would be appropriate in this location. Surrey County Council had a policy on speed limit reductions and this would be circulated to all members. Each location needed to be considered on its own merit.

Cllr Tahir Aziz referred to the "20 is plenty" campaign for Surrey and also raised the issue of parking in the Town as Uber drivers and Just Eat delivery vehicles were getting tickets. He requested that pick-ups or delivery spaces could be made available. This would be an issue for the parking task group to discuss as there was endless demand at the moment and a suitable compromise was needed.

### **40/20 RIGHTS OF WAY ITEM - DIVERSION OF FOOTPATH 005 (AT DEEP POOL FARM) [Item 8]**

**Declarations of Interest:** None

**Officers attending:** Daniel Williams, Countryside Officer

**Petitions, Public Questions, Statements:** None

The Countryside Officer ran through a short presentation on Rights of Way and the legislation that governed any potential changes.

The Countryside Officer presented a report on the application by the landowner for a footpath diversion at Deep Pool Farm and an amended plan for this had been circulated. The request that was made due to redevelopment of stables that would be accessed by horses and vehicles, so the diversion was of general benefit to the public and the landowner. Two objections had been received.

Members queried whether the new path would be subject to flooding and whether fencing would be provided. It was noted that the existing styles would be removed and a kissing gate would be provided (which was more accessible).

The Woking Joint Committee agree that:

- (i) A diversion order be made under section 119 of the Highways Act 1980 to divert Public Footpath No. 5 (Woking) as shown on **amended** Drawing No. 3/1/79/H68A.
- (ii) If any objections are received and maintained to the Order it should be submitted to the Secretary of State for the Environment, Food and Rural Affairs for determination.

Reasons for Decision

Members agreed with the officers view that the criteria for making a diversion order have been met. At present the path crosses an area being developed for stabling. The new route, 3m in width, would improve security for the property and provide a path that would no longer be shared with vehicles accessing the property.
