SURREY STRATEGIC GOVERNANCE

- **Surrey Forum:** high-level, multi-agency, overarching partnership which sets, leads, directs and monitors delivery of county-wide Community Vision over the longer term.
- **Strategic Partnership Boards:** co-ordinating, driving and monitoring activity and outcomes, in line with Community Vision and county-wide strategic priorities, over the medium term
- **Sector specific delivery boards:** bringing together the appropriate partners to drive the delivery of specific programmes (e.g. County Deal, Surrey Heartlands Devolution Deal) in the short to medium term.
