Home Office consultation: Amendments to the FPS in England 2022

On 8 November 2021, the Home Office launched a consultation on the amendments to the pension scheme regulations to deliver the first set of changes to remove the transitional protections from the FPS 2015.

These changes enact the policy announced in February of this year and are consequential to the provisions in the [Public Service Pensions & Judicial Offices Bill](#) (PSPJO) currently before Parliament. The changes are intended to come into force on 1 April 2022.

This is part of the package of measures that the government is undertaking to remove the discrimination identified by the courts in the McCloud and Sargeant cases. The second phase will address the issue of giving members a retrospective choice of benefits for the remedy period. The Home Office will consult on this separately next year.

Please find details of the consultation and associated documents at the link here:

[Amendments to the firefighters' pension schemes in England 2022 - GOV.UK](https://www.gov.uk/government/consultations/amendments-to-the-firefighters-pension-schemes-in-england-2022)
(www.gov.uk)

The consultation is open until Sunday 2 January 2022.

As it will be for individual Fire and Rescue Authorities (FRAs) as the Scheme Manager to apply the regulations, FRAs are encouraged to respond to the consultation.

Immediate Detriment Framework updates

On 19 November 2021, the [FBU and LGA published a joint statement](#) to update colleagues on the impact of [HMRC's policy note](#) of 27 October 2021 and the [Finance \(No.2\) Bill](#).

The guidance to FRAs available on the [age discrimination page](#) of the FPS Regulations and Guidance website has been updated accordingly. Log-in details are required to access the page and can be provided to practitioners and administrators only.

Sample letters to assist FRAs in administering the Framework have also been added to this page. Please note that these letters have not been developed by the communications group and are not endorsed but have been shared by FRAs/ administrators as examples of good practice and to reduce duplication of work. Some cases may require additional information or slightly alternative information to be added / amended on an ad-hoc basis.

[Click here to return to Contents](#)

On 29 November 2021, we wrote to FRAs and other stakeholders to tell them that the [Home Office has withdrawn its informal and non-statutory guidance](#) on processing certain kinds of immediate detriment case ahead of legislation, with immediate effect. All versions of the guidance have been removed from the FPS Regulations and Guidance website.

The Home Office also gave the following update on funding:

“I also want to take this opportunity to provide some further clarity in relation to the funding position. As the Government does not advise that immediate detriment cases should be processed in advance of the legislation coming into force, we will not be in a position to provide any additional funding for those costs which are paid outside of the pension account. These costs include payments that are not considered to be legitimate expenditure under the pension scheme regulations and any associated administration costs including any charges from your pension administrator. These will need to be funded locally by your fire and rescue authority from local budgets.

In relation to immediate detriment costs paid from the pension account in the course of processing pipeline cases, FRAs will need to ensure that these payments comply with the financing regulations of the pension scheme. If they are considered to be legitimate expenditure then they will be considered for payment as part of the established processes for claiming the AME top up grant.”

We appreciate that this may be a cause of concern to colleagues who are considering to adopt or who have adopted the [MoU and Framework](#). We are considering the various aspects within the note and will write to FRAs and FRSs with further information as soon as possible.

[Age discrimination remedy - member letters 1 April 2022](#)

Under the communications pillar of the LGA’s remedy [Project Implementation Document](#) deliverables, we said that we would provide communications to explain the effect of protected members moving to FPS 2015 with effect from 1 April 2022 and communications to members not affected by the changes to benefits.

A suite of letters has been developed in collaboration with the Fire Communications Working Group. These can be given by FRAs to scheme members ahead of prospective remedy implementation on 1 April 2022. This includes a tailored version for each member cohort: protected, taper protected, unprotected, and out of scope.

The letters are available on the new [prospective remedy page](#) of the FPS Regulations and Guidance website.

Guide to combining pension scheme service updated

The guide to combining pension scheme service in the FPS has been updated with new or amended definitions of remedy membership cohorts.

We have also replaced references to the “modified scheme” with the correct terminology of FPS 2006 special members/ membership, ahead of the anticipated second options exercise, to make sure that we are using consistent wording in all documents.

Clean and tracked versions of the guide can be found on our [guides and sample documents webpage](#) under the ‘Aggregation’ heading.

A to Z of pension terms updated

As part of our ongoing development of the FPS Member website, the [A to Z of pensions terms](#) page has been expanded significantly. We welcome any suggestions for additional content that would be useful to increase understanding of pensions terminology. Please email bluelightpensions@local.gov.uk.

Technical query log

The current [log of queries and responses](#) is available on the FPS Regulations and Guidance website. The queries have been anonymised and divided into topics. The log is updated monthly in line with the bulletin release dates.

Queries have been answered this month in the following categories: combining service (page 17). Queries from earlier months have been grey shaded to differentiate from new items.

Please bear with us if you experience a delay in response to your technical query. As you can imagine, much of our resource is currently focused on remedy-related issues.

As a reminder, the recently reinstated [Knowledge Hub technical forum](#) can be used as an alternative, if you need an informal steer from sector colleagues in the meantime. See [FPS Bulletin 47 – July 2021](#) for more information.

FPS England SAB updates

SAB SMA committee vacancy

We have a vacancy on the [Scheme Management and Administration \(SMA\) committee](#) for an FRA LPB representative. The main objectives of the committee are to provide guidance to the SAB to understand the value and cost of administration and to consider how scheme managers and administrators can best be supported by identifying best practice.

This is a great opportunity for an LPB member to get more involved with governance at a national level and represent the views of the sector.

[Click here to return to Contents](#)

The required commitment is usually three to four meetings per year, and these are currently being held virtually. If you are interested in sitting on the committee or would like more information, please email bluelight.pensions@local.gov.uk.

Other News and Updates

Finance (No.2) Bill 2021/22

On 2 November 2021, HM Treasury (HMT) formally introduced the Finance (No.2) Bill 2021/22 to Parliament. The Bill includes several provisions that may affect the administration of the FPS.

Clause 9: Changes to annual allowance scheme pays deadlines

This clause changes deadlines associated with mandatory scheme pays. The period within which some members must give notice of their election will be extended. The deadline for administrators to provide information about annual allowance tax charges will also change.

Clause 11: Tax impacts resulting from the McCloud remedy

The clause provides HMT with the power to make regulations to address tax impacts that arise because of implementing the McCloud remedy. Provisions made under this section may be retrospective and may be different for different member types. The changes will have effect from 6 April 2022 or later.

You can follow the [progress of the Finance \(No.2\) Bill 2021/22](#) on the UK Parliament website.

Proposed amendments to the PSPJO Bill

Amendments to the PSPJO Bill have been proposed. You can read the proposed changes in the [marshalled list of amendments](#). You can follow the [progress of the PSPJO Bill](#) on the UK Parliament website.

Legal challenge: remedy costs and cost control mechanism

Unions across the public sector have launched a judicial review against HMT about including McCloud/ Sargeant remedy costs in the cost control mechanism. The FBU, GMB, and BMA argue that the cost of rectifying the discrimination should not be met by scheme members.

The provisional results of the 2016 cost cap valuation showed that all public service schemes were cheaper than expected. This would have led to a reduction in contributions or improvements in benefits from April 2019 had the cost control process not been paused.

Pension scams: new restrictions on transfers

On 8 November 2021:

- the Government published its [Response to Pension scams: empowering trustees and protecting members consultation](#)
- [The Occupational and Personal Pension Schemes \(Conditions for Transfers\) Regulations 2021](#) [SI 2021/1237] were laid
- the Pensions Regulator (TPR) published [TPR guidance on dealing with transfer requests](#), which includes a helpful flowchart setting out the transfer process.

The regulations take effect from 30 November 2021. They introduce further legal restrictions on a member's statutory right to transfer. The regulations give pension managers and administrators tools to act if they have suspicions about the circumstances that have led the member to request a transfer. The member will no longer be able to insist on a statutory transfer taking place in these circumstances.

PDP November newsletter

The Pensions Dashboards Programme (PDP) has published its [November newsletter](#). The newsletter includes links to:

- the PDP director's blog reflecting on recent achievements and looking forward to activity in the next few months
- the October progress update report
- dashboard providers' update, and confirms that successful applicants to help test the pensions dashboards ecosystem will be announced in December
- the identity hub which provides information about the approach to procuring an identity service
- the technical glossary which includes definitions of key terminology.

TPO stakeholder survey

The Pensions Ombudsman (TPO) is seeking your views on how you think it is doing and where it can improve things. TPO would be grateful if you could complete the [Stakeholder survey](#) which is open until Wednesday 8 December 2021.

One of TPO's strategic goals is to support and influence the pensions industry and the wider alternative dispute resolution sector to deliver effective dispute resolution. Your feedback is important as it will help to shape TPO's future planning, identify areas for improvement and improve the complaints process for its customers.

HMRC

HMRC newsletters/bulletins

On 30 November 2021, HMRC published [Pension schemes newsletter 135](#) containing important updates and guidance for schemes. The newsletter includes

[Click here to return to Contents](#)

articles on:

- Relief at source
- Pension scheme migration
- Accessing your business tax account
- Annual allowance charge — members declaring their annual allowance charge on their Self Assessment tax return
- Accounting for tax return

Managing Pension Schemes service

On 18 November 2021, HMRC published a [Managing Pension Schemes newsletter](#) and new [GOV.UK guidance](#) with information on the new feature available on the Managing Pension Schemes service. These also include information on how to prepare to migrate your pension schemes to the Managing Pension Schemes service.

Pension scheme administrators can now view a list of schemes they need to migrate to the Managing Pension Schemes service. Currently it's a 'read only' list. You won't be able to migrate any pension schemes at this point. Only schemes with a status of 'open' on the Pension Schemes Online service will be included in the list.

To view the list of schemes, you'll need to be [enrolled on the Managing Pension Schemes service](#) using your existing 'A0' administrator ID. Scheme administrators with [multiple administrator IDs](#) will need to have completed the process of setting up their 'Master' and 'Ancillary' IDs, and have enrolled using their 'Master' ID.

HMRC will continue to keep you updated on the Managing Pension Schemes service through their [Pension Schemes Newsletters](#).

Please email migration.mps@hmrc.gov.uk if you have any further questions or feedback on the Managing Pension Schemes service, including the migration of pensions schemes.

2020/21 Event Reporting - Annual Allowance Statements and Lifetime Allowance

As last year, HMRC is prepared to accept scheme data regarding pension savings statements for 2020/21 from PCM customers on an excel spreadsheet rather than through the scheme's Event Report. All other scheme events for 2020/21, with the exception of the lifetime allowance protection regimes (see below), must be submitted via Pensions Online.

This concession is on the clear understanding that the pension savings statement data represents part of the scheme's formal reporting obligations for the 2020/21 Event Report. The data must be submitted by 31 January 2022 and HMRC reserves the right to open enquiries based on any of the pension savings statement information provided.

[Click here to return to Contents](#)

The data required for each member is:

- Name of Member (Title, First Name, Surname)
- National Insurance Number of Member
- Aggregate Pension Input Amounts for the scheme (x)
- Tax Year Ending (that the information relates to)
- Have you provided this member with a pension savings statement under regulation 14A(1)(b)(ii) SI 2006/567? (Y/N) (Money Purchase Pension Savings Statement)
- If Yes, provide the Aggregate Pension Input Amounts for Money Purchase Arrangements (y)

All fields must be completed. For members who have both x & y above, it would be helpful if you list the data in the same line on the spreadsheet.

Guidance is included at [HMRC Pensions Tax Manual 161600](#) and [HMRC Pensions Tax Manual 167000](#)

For the data to be compatible with HMRC's IT systems it must be submitted on a Microsoft Excel spreadsheet encrypted via Winzip.

All files should be sent via e-mail to pensions.businessdelivery@hmrc.gov.uk and your PCM copied in. HMRC will notify the scheme of receipt to enable the password to be provided under separate cover.

Lifetime Allowance

You may recall from last year that, in accordance with article 6.2 of the [Pension schemes newsletter 85 - March 2017](#), the Event Report has not yet been amended to include lifetime allowance protections that members applied for online. If you need to submit these details to HMRC, you can also submit them on a password protected spreadsheet and send the password in a separate email.

You should put 'Lifetime allowance – Event Reporting' in the subject line of your email and send this to pensions.businessdelivery@hmrc.gov.uk and, again, copy in your PCM. This data must also be provided by 31 January 2022.

If a scheme chooses to use this facility to provide this information, it is entirely at the scheme's own risk. HMRC accept no responsibility of loss, interception, or corruption until data is delivered safely to them.
