

Glossary of care terms used in the report

Residential Care Home	An establishment where care is provided and is registered with the Care Quality Commission (CQC)
Care home with nursing	An establishment that is registered with CQC to provide care including nursing tasks. Registered nurses are employed to undertake nursing tasks.
Reablement	Assistance with daily living activities and care tasks for a temporary period, usually up to six weeks, to enable a person to regain skills. This may often be someone who has been in hospital and needs some additional input for a short time to regain skills and confidence. This is sometimes referred to as a step down or intermediate care. This may be provided in a residential or nursing home environment, or through visits to people in their own homes
Day Care	A non-residential facility that supports the health, nutritional, social support, and daily living needs of adults in professionally staffed, group settings
Respite Care	Short-term accommodation in a facility outside the home, often to provide carers with a break from caring
Extra Care	Extra Care Housing in an extension of traditional supported housing and allows adults to live as independently as possible, with the reassurance of onsite care support when they need it.
Enhanced Health in Care Homes	A model of care developed in partnership with the NHS that moves away from traditional reactive models of care delivery and towards proactive care that is centred on the needs of individual residents, their families and care home staff.
Dynamic Purchasing System (DPS)	An approach of purchasing residential and nursing care, developed with the NHS, that aims to improve understanding of capacity in the care home market in Surrey, support quicker action and facilitate choice.
Discharge to Recover and Assess (D2RA) (more commonly referred to as D2A)	A joint council and NHS approach that aims to support patients to be discharged from hospital according to the different discharge pathways set out in Government operational guidance.
