## Annex 1: List of Traffic Signs Subject to Moving Traffic Enforcement

Under Schedule 7 to the Traffic Management Act 2004 ("the 2004 Act"), restrictions indicated by the traffic signs in the table below, as prescribed in the Traffic Signs Regulations and General Directions 2016 (as amended: 'TSRGD') are civilly enforceable as moving traffic contraventions. This applies to any permitted variant under TSRGD; for example, diagram 606 when varied to point ahead or to the right.

The 2004 Act does not provide for the list of traffic signs on a selective basis, so all the contraventions will be available to local authorities taking on moving traffic enforcement. However, in line with the general principles of good regulation, any enforcement should be carried out in a way which is transparent, accountable, proportionate and consistent; and should be targeted **only where action is needed**.

Moreover, it should be noted that Ministers have only agreed to implement the Part 6 powers in respect of this existing list of traffic signs, with the exception of the additional diagram 1027.1, to create parity with London.
