

Report to the Board

Hendeca Group Limited

Year ended 31 March 2022

Helping you prosper

Contents

01	Introduction	1
02	Audit status	5
03	Our approach to materiality	7
04	Significant matters	9
05	Going concern	12
06	Other matters (non-significant risks)	14
07	Other communication requirements	16
08	Audit adjustments	19

The matters raised in this and other reports that will flow from the audit are only those which have come to our attention arising from or relevant to our audit that we believe need to be brought to your attention. They are not a comprehensive record of all the matters arising and, in particular, we cannot be held responsible for reporting all risks in your business or all internal control weaknesses. This report has been prepared solely for your use and should not be quoted in whole or in part without our prior written consent. No responsibility to any third party is accepted as the report has not been prepared for and is not intended for, any other purpose.

01 Introduction

Purpose of this report

The purpose of this report is to bring to your attention the salient points which have arisen from our audit of the financial statements of Hendeca Group Limited (“the Company”) for the year ended 31 March 2022.

This report provides an update to the matters raised in our Audit Service Plan, which was provided to the directors on 24th May 2022, focussing on observations that are significant to the responsibility of those charged with governance to oversee the financial reporting process as required by International Standard on Auditing (UK) 260 Communication with Those Charged with Governance.

This report provides an update to matters which arose during the course of our audit.

Audit scope

Our terms of engagement are set out in our engagement letter dated 7th April 2020. This sets out our audit responsibilities and their limitations and the responsibilities of the Directors in relation to the financial statements.

Our Audit Service Plan set out in detail the key issues and risks identified at the planning stage and the related planned audit responses. It also explained that our audit approach concentrates on areas of material risk of misstatement in the financial statements to allow us to reach our opinion in accordance with auditing standards.

Audit independence

We confirm that, in our professional judgment, UHY Hacker Young LLP is independent within the meaning of regulatory and professional requirements and the objectivity of the audit engagement partners and audit staff is not impaired.

Should you have any questions relating to the issue of our independence and objectivity, please do not hesitate to contact Jessica Moorghen on 020 7216 4670 or at j.moorghen@uhy-uk.com

Limitations

We have prepared this report for your use within the Company. It is part of our continuing communication of audit matters with those charged with the governance of the Company and, accordingly, is addressed to the Board. It is not intended to include every matter that came to our attention. For these reasons, we believe that it would be inappropriate for this report to be made available to third parties. If such a third party were to obtain a copy, we would not accept any responsibility for any reliance that they might place on it.

Acknowledgement

We have received full co-operation from all Hendeca Group Limited staff. We wish to thank in particular Cristina Robinson, Joe Stockwell and the entire Hendeca Group Limited team for the helpfulness and co-operation during the course of the audit process.

Audit status

02 Audit status

The audit of the Company is substantially complete. All matters encountered during the audit were dealt with as the audit progressed. There are, however, at the time of writing some outstanding unresolved audit matters which are set out below which may or may not have an impact on our audit opinion on the Company's financial statements:

- Signed Letter of Representation form the Directors
- Signed Directors' Report
- Signed Financial Statements
- Completion of our subsequent events review to the date of our audit report

We expect to sign our auditor's report as soon as practicable after clearing the outstanding matters and the approval of the directors' report and accounts by the directors. Our anticipated auditor's report opinion will be unmodified.

Our approach to materiality

03 Our approach to materiality

The concept of materiality is fundamental to the preparation of the financial statements and the audit process.

It applies to monetary misstatements and also to disclosure requirements in compliance with the accountancy framework and applicable law.

	Amount (£)	Qualitative factors considered
Materiality for the Company's financial statements	£18,600	We have considered turnover to be the key driver of the business's financial performance. This is because the company does not hold any significant assets or investments. We have used a 1% benchmark which is in line with the FRC's thematic review.
Materiality for specific transactions, balances or disclosures	£1,000	Lower materiality considered for related party transactions and directors remuneration. There is no quantitative limit set for these transactions as they are qualitatively material.

Significant matters

04 Significant matters

Significant matters, as identified in our Audit Service Plan:

Risks identified in Audit Service Plan	Work identified by management	Comments
<p>Management override of controls</p> <p>Under ISA 240 (UK) there is a presumed risk that the risk of management override of controls is present in all entities</p>	<p>Management were to ensure there are appropriate procedures in place to prevent override of controls.</p>	<p>We have:</p> <ul style="list-style-type: none"> Updated our documentation around the posting of journals and formulation of key estimates and assessed the design and implementation of those controls. Assessed and challenged accounting estimates, judgements and decisions made by management. Tested a sample of journal entries, adjustments and accounting estimates for bias that could result in material misstatements. Review significant transactions to ensure they were in the normal course of business. <p>Conclusion: We found no indication of management bias or significant transactions outside the normal course of business.</p>
<p>Improper revenue recognition</p> <p>Under ISA 240 (UK) there is a resumed risk that revenue may be misstated due to the improper recognition of revenue</p>	<p>We will discuss with management and consider the reasonableness of the recognition criteria for the service contracts provided. We will substantively test your sales, accrued and deferred income balances, and confirm that the treatment is in line with accounting standards.</p>	<p>We have:</p> <ul style="list-style-type: none"> Assessed whether revenue was accounted in accordance with the accounting policy on revenue recognition. Analytically reviewed revenues and verified significant movements against expectations Tested a sample of transactions to agreements to supporting evidence

		<ul style="list-style-type: none">• Reviewed the assessment made by management in relation to the application of the correct cut off processes <p>Conclusion: We found no significant or reportable adjustments were noted based on the work performed.</p>
--	--	--

Going concern

11

05 Going concern

Management's assessment	<p>Management were to evaluate whether the group is trading as a going concern.</p> <p>Management was thus required to provide a cash flow projection to December 2023 which confirmed their assessment of the going concern principle.</p>	<p>We inspected the cash flow protections provided by management, checking that the assumptions made were reasonable and that the calculations were accurate.</p> <p>We also understand that should any support be required that the parent company, Surrey County Council, would provide support to the entity.</p> <p>The cash balance is expected to remain positive throughout.</p> <p>Conclusion: We concur with management's assessment that the going concern principle is applicable.</p>
--------------------------------	---	--

11

Other matters (non-significant risks)

11

06 Other matters (non-significant risks)

Other Risks identified in our Audit Service Plan	Work done by Management	Comments
Debtors recoverability	Management were to ensure that debtors were a true representation of the actual amounts that were expected to be received from customers post year-end and any provision for bad debts was complete and accurate.	Our sample items tested for recoverability overall proved adequately received post-year end leading to the conclusion that debtors are materially correct.

Other communication requirements

11

07 Other communication requirements

Changes in accounting policies

No changes in accounting policies have been made during the course of the year.

Review of board minutes

No material or significant matters have arisen from the review of board minutes.

Significant post balance sheet events

No significant post balance sheet events identified.

Consideration of fraud

We have discussed fraud with Joe Stockwell. It was confirmed that:

- there have been no instances of fraud during the year; and
- those charged with governance of the company consider there to be a low risk of fraud.

During the course of our work we found no evidence of fraud and corruption. We must emphasise, however, that the responsibility for the prevention of and detection of fraud lies with management, and our work does not remove the possibility that fraud and corruption may have occurred and remain undetected.

Related parties

We are not aware of any related parties or related party transactions which have not been disclosed.

Laws and regulations

We are not aware of any significant incidences of non-compliance with laws and regulations

Written representations

Following conclusion of our audit work we will issue a letter of representations to management. At the date of this report we expect to be requesting specific representations in respect of the assessment as a going concern and recoverability of debtors.

Confirmation request from third parties

Confirmations have been requested and received for all bank and loan accounts.

Disclosures

A review of disclosures has been performed as part of our review of the accounts with necessary amendments being processed.

Audit adjustments

08 Audit adjustments

During the course of the audit, adjustments were necessary in order to facilitate the preparation of the statutory financial statements, consisting of fundamental underlying transactions together with matters of presentation for statutory purposes.

A schedule of audit adjustments has been provided to you for the entity. The nature of these adjustments include the following:

- Corporation tax;
- Deferred tax.

Unadjusted items

A schedule of unadjusted errors for each undertaking has been provided to you. A summary of all the unadjusted errors has been provided to Joe Stockwell. The directors have included the summary of unadjusted errors to the group letter of representation. The letter of representation states that the individual amounts and aggregate total of an increase of £309 is immaterial and, accordingly, no adjustment is required.

In assessing the key areas of audit judgement we have had full regard to our assessed level of materiality. A final materiality calculation will be undertaken prior to finalisation of the group accounts.

We acknowledge the subjectivity and scope for differing viewpoints over some of our concerns. By the same token, the Board in deciding to approve the accounts as currently drafted will also be exercising subjective judgement.

Management Letter

We will discuss with management matters arising where we consider that the internal systems and procedures could be improved. A draft copy of the letter highlighting these issues will be supplied to management. We will then require formal confirmation of management's comments which will then be incorporated before we circulate the document to the full Board.

Remaining timetable

We are scheduled to be in a position to sign all statutory accounts by October 2022 in respect of the Company.

Audit report

We propose issuing an unmodified audit report on the financial statements of the company for the year ended 31 March 2022.
