National Statistics – Fostering in England April 22 – March 223

Ofsted's statistical release covers 146 Local Authority fostering services and 282 Independent Fostering Agencies (IFA) for 1 April 2021 to 31 March 2022. It includes data about fostering households, foster carers, retention, recruitment and capacity.

There is an upward trend in fostering provision provided by family and friends households. Family and friends households made up 27% of all Local Authority fostering households as at 31 March 2022, an increase from 21% in 2017-18. Family and friends households accounted for 60% of households approved in-year that were still active on 31 March 2022, up slightly from 56% in 2017 to 2018. This type of household made up 60% of deregistration's by Local Authorities in the 2021 to 2022 period

Data for Figure 1: Number of fostering households by type and sector as at 31 March, over the last 5 years
