## **2. Executive summary**

---

This ICS report includes key updates from the Integrated Care Partnership and recent reports to the Integrated Care Board (ICB), highlighting those which support the achievement of the Surrey Health and Wellbeing Strategy's outcomes for the Priority Populations and Key Neighbourhoods.

## **3. Recommendations**

---

The Board is asked to note the contents of the report.

## **4. Reason for Recommendations**

---

Content of the report includes information which supports the Board's priorities. There no approvals required from the Board.

## **5. Detail**

---

Annex 1 highlights key recent activities of Surrey Heartlands ICS in relation to:

- Civic / System Level interventions
- Service Based interventions
- Community Led interventions

## **6. Opportunities/Challenges**

---

The report describes opportunities to learn from and replicate approaches taken.

## **7. Timescale and delivery plan**

---

The report describes activities already delivered and plans for future events, such as the Surrey Heartlands Expo.

## **8. What communications and engagement has happened/needs to happen?**

---

The report describes engagement and involvement in activities, including the Voluntary Community and Social Enterprise (VCSE) sector. The Expo will provide an opportunity for extending partner engagement, supporting further community capacity building, building trust and relationships, codesign and co-production. Planning for the Expo is being jointly led by Surrey Heartlands ICB, Surrey County Council (Member and officer), with VCSE representatives.

### **9. Legal Implications – Monitoring Officer:**

---

No issues identified.

### **10. Next steps**

---

As set out in the report.

---

### **Questions to guide Board discussion**

The report expected to be for noting only, as a summary of the activities of Surrey Heartlands ICS which support delivery of Surrey's Health and Wellbeing priorities.
